

Welcome to Anna Maria Elementary

AME Parent Teacher Organization

It takes an island!

Our PTO is a non-profit organization which helps strengthen the connection between students, educators, and the community in which we live. We raise funds by means of various fundraisers/events throughout the school year to provide our students endless opportunities and to have the highest advantages in physical, mental and emotional education. Funds raised go directly towards the wish list items that are not covered by the school district, and typically cover the cost for much needed or desired books as well as online and hands on math, reading and science programs that directly benefit the students on a daily basis. This year will certainly be different than years past because of the new restrictions due to Covid-19. Many of our annual events will need to be modified or postponed and new fundraising opportunities will need to be explored. Please consider joining us and become a member today! PTO membership is a great way stay connected to your child's school during this difficult time.

Annual membership fee is \$5.00. Returning families need to join every school year. Fill out form below with your membership fee and return to your child's teacher or complete form online at our website with payment.

Membership meetings will be held off campus or virtual this year. Look for email invites from ameptoboard@gmail.com.

2020-2021 Board Elections will be held in September. Please inform current VP, Janae Rudacille, of your nominations at Janaestylist@gmail.com

To learn more, please check out our website or Facebook page.
