Friday
March 30, at 1030 am LIVE MICRONEEDLING WITH PRP demo , if you have ever wondered about it, tune in and see why celebrities & movie stars rave about this procedure!

The best part is you are using your bodies own "healing serum" with 8 different growth factors & many other micro nutrients that nourish your skin.

A special brand of Skin care charges 200\$ for a tiny bottle because it contains "Human growth factors ". Why not use your own ?

I use a special method I learned in Canada with a renowned plastic surgeon. This method achieves a healthy glow to dull skin, minimizes fine lines, wrinkles, & large pores. The treatment is repeated every two weeks x 4 and then every 3 months for maintenance.

The Spa I worked at in Chicago charged 500\$ for Microneedling & \$650 for Microneedling with PRP. I am so sure you will LOVE this treatment, I will give your first one FREE - just mention this ad on fb and agree to buy the remaining series of 3 for only 150\$/ each.

You DO NOT HAVE TO PAY FOR ALL UP FRONT. Pay as you go at time of treatments!

Please join Angie & Myself this Friday !

If you want to book your first FREE treatment go to AntiAgingRN.com scroll down to services and click "book" under Microneedling.

I will run this first treatment FREE for this week and 3 days after my live broadcast.
