

2.0 LEGACY

Errata

SEPTEMBER 2022 – Initial 2.0 Legacy Launch

These errata are in addition to the errata in the Star Wars X-Wing Rules Reference, version 1.3.2, effective 10/12/2021 (the September 2021 Rules Reference).

Ship Cards

•Commandant Goran [TIE/in Interceptor]

Should read: "After a friendly ship at range 0-3 with a lower initiative than yours partially executes a **revealed** maneuver, it may perform a red focus action."

(Added "revealed" condition to prevent Adaptive Ailerons from triggering Goran).

•Lieutenant Dormitz [Upsilon-class Shuttle]

Should read: "**Setup:** After you are placed, other friendly **TIE/fo Fighters and TIE/sf fighters** can be placed anywhere in the play area at range 0-2 of you."

(Added TIE/fo and TIE/sf restriction).

•Pinpoint Tractor Array [Nantex-Class Starfighter chassis ability]

Should read: "You cannot rotate your mobile arc to your rear arc. After you **fully** execute a maneuver, you may gain 1 tractor token to perform a rotate action."

(Added "fully").

Upgrade Cards

•Ursa Wren [Crew, Rebel]

Should read: "After a friendly ship at range 0-3 is locked **by an enemy ship**, you may acquire a lock on an enemy ship."

(Added enemy ship restriction to prevent triggers from friendly ships).
