## We are here for you.

My friends at the Illinois Muslim Civic Coalition said it well in their email on Monday.  
“Collaborate. Amplify”

Our nation is hurt deeply, not just from the effects of divisive politics, a global pandemic, or economic havoc, but from our bearing witness time and again to the systemic inequities to people of color and those of low income status.

In a recent post about last week’s unrest I shared my focus for my community which I’ve based upon the broad ethical principles of the National Association of Social Workers. I am, and always will be, a social worker at heart. As such, it remains my first responsibility to listen to the voices of those in need. In lieu of this week’s newsletter I invite you to share your needs or concerns through our [constituent contact form](#). My staff and I will provide resources and guidance to help the 49th District as we find our way together and move us all forward.

As always, you can contact my office by calling 630-326-9319 (English), 630-326-9419 (Spanish), or via email at [StateRepKarinaVilla@gmail.com](mailto:StateRepKarinaVilla@gmail.com).
