WELCOME ABROAD!

For more than 35 years of sending students abroad, our programs just keep getting better! Over 20,000 students have participated in our programs and more than 2,000 universities have sent students with us. We pride ourselves on having one of the most extensive course offerings in the industry. We strive to continually improve our programs, and we offer the opportunity for graduate and undergraduate classes.

In addition, our cooperation with volunteer organizations and businesses in Costa Rica continues, and we have developed new internship opportunities so that students may apply their knowledge and skills in a real world setting.

MLSA’s programs are still considered as the most economical choice to study abroad; a fact which we pride ourselves on, and every year our students are awarded scholarships, which enable more students and teachers to participate.

We have grown our staff in the United States and also abroad to reach one of our main goals: to offer you the most extensive and personalized programs available.

Our programs are appropriate for every student regardless of language level, including teachers and professors. Whether you are a beginning student, a student pursuing a Bachelor’s degree, a Master’s, Ph. D, or simply a person interested in learning about languages, culture, and literature, you will be able to participate and benefit from our programs.

MLSA continues to take steps to offer you a wider range of programs to broaden your study abroad choices.

Imagine yourself walking through the streets of Madrid, Spain; San Jose, Costa Rica; Florence, Italy; or Lyon, France with the world as your classroom as you study language and culture. It’s impossible to explain all the benefits that you’ll receive from studying abroad; you have to experience it for yourself!

We look forward to the coming year, and we will be even more excited if you join us! We are confident that you’ll benefit from our programs, and we congratulate you on taking the first steps toward an experience that you’ll never forget!

Yours truly,

Dr. Celestino Ruiz
Director of MLSA

I loved that this program gave us freedom to make our own decisions and meet people from all over the world. Some of the greatest friends I made were those from Madrid. This was the greatest experience of my life. I cannot wait to go back to Madrid, and I cannot thank MLSA enough!”

**MLSA ORGANIZATION**

"No creo que existan palabras que puedan expresar lo agradecida que estoy por haber participado en el programa de MLSA este verano. Fue una experiencia sin igual en la que no solo avancé mis estudios de posgrado sino en la que también recibí consejos muy valiosos. De paso pude conocer mucho de España y su diversidad de modo muy informativo. El programa tiene un encanto especial porque te hace sentir que estás con familia en vez de con compañeros y/o colegas." - Michele Porta Cisneros, NJ

"I enjoy this program and their directors. I like how they attend the activities with us. Everyone is very active and take their roles seriously. Everyone also seems to care about the students." – Cayla Buford, Memphis, TN

“One of the best experiences of my life. Can’t wait to come back to San Jose next May!” – Beau Parker, San Marcos, TX

"Provided with great classes and host families for a low cost. The long weekends are also great. The women directors were very helpful.” – Meghan Pipal, Wheaton, IL

"Reasonably priced, great experience. Staff was wonderful—very helpful and caring, and always available to help.” – Mirta Evans, Naperville, IL

"I have traveled in 94 countries and this entire experience was one of the great highlights of my life. The courses were extremely well-structured; the professors were magnificent. The country is absolutely breathtaking and Ticos are the most tranquilo, amiable, simpatico, paciente gente en el mundo.” – Michael Collins, W. Palm Beach, FL

"I think you’ve done a great job of addressing many levels of student proficiency. Students at all levels comment positively about being challenged here. I would recommend this program to both former students and colleagues (teachers).” – Erik Gronberg, Minneapolis, MN

“My professors were fantastic—they showed much patience with the students, as well as a profound love of their work.” James Williams, Atlanta, GA

The instructor was one of the best teachers I’ve ever had! The best feature of the course was its multi-faceted approach at improving one’s Spanish in terms of listening, reading, writing, speaking, and understanding the basic facets of this wonderful language.” Matthew Nies, Ashley, ND

“We had the opportunity to learn quite a bit about linguistics and current theories in language teaching, which I will be able to apply in my classroom.” Anne Chavez, Lexington, MA

“My literature instructor was full of enthusiasm and her knowledge of the subject matter and interest in the topics covered were evident. She told the class that she was giving us 100% of her time and effort and expected no less from us in return. She paid for several class materials out-of-pocket. She really did care for us. I enjoyed my experience in her class immensely.” Andrea Maresh, Colorado Springs, CO

“The small class size and comfortable atmosphere in the conversation class helped me learn. I thought the field trips with the culture class were an excellent way to learn about culture, especially since this could not be done if I had taken the class in the U.S.” Jennifer Babin, Huntsville, AL

“My instructors were genial and engaging. Clearly, they had great respect for all of us and insisted that we do our best. The teachers made the classes fun with interesting projects, assignments, games.” Aimee Fournier, Astoria, NY

I really enjoyed the way the teachers taught the classes, listened very carefully to our responses, and were there for us when we needed help.” Rigoberto Bravo, Jr., Fayette, MO

“Both instructors exceeded expectations. They were incredibly knowledgeable, brought in interesting and current materials, and even took us on a field trip to see the play of a book we read.” Kelsie Goodman, Kirkville, MO

“For the conversation class, the teacher was very interactive and creative. She had new things for the students to do every day. She made each day very interesting. For the composition class, the teacher was very willing to give me extra help in writing and I improved exponentially.” Celeste Mayhew, Glendora, CA

COMMENTS ON FAMILIES

“Everything was perfect! The family was very nice, respectful, and helpful. We ate meals together and they invited me to events such as attending church and going to the movies. I also got to help with (because I volunteered to) and attend the daughter’s baby shower and meet family friends.” Renee Cave, Charlotte, NC

“Loved the family! Made my experience here wonderful. Very welcoming and helpful—wish I could have lived with them longer.” Sarah Hulls, Auburn, AL

“I could not speak more highly of my tico parents who took me in like their own son. I was treated with the utmost respect and kindness at all times and had a wonderful experience living with them. They worked diligently to make me comfortable and happy with my living situation. They worked hard to provide a loving attitude and actions.” Ethan Tomlinson, Louisville, KY

“Every member of my family was very kind and accommodating. Many of them took me places: shopping, sightseeing, out for meals, visiting other family members, and friends, etc. They also helped me to find my way around the city, e.g., internet café and bank, and to make long-distance calls, and to change money.” Anne Chavez, Lexington, MA

“My madre tica treated me like a son. Any individual would be extremely lucky to have someone as wonderful as her. I cannot speak highly enough of her. She made me feel as if this was my country.” David Driscoll, Memphis, TN

HOUSING

All families are screened and evaluated every year by the students and the director of families in our office in Costa Rica. Students are in private rooms. All families go through orientation to inform them about their responsibilities. All students must complete a Housing & Medical form where they list preferences, medical conditions, and special needs. The director of families will make all efforts to accommodate individual needs and preferences, but MLSA cannot guarantee to fulfill them all.

Students need to arrive to the housing assigned (families, residences, apartments) on the specific day and time before classes start—NO EXCEPTIONS WILL BE MADE UNDER ANY CIRCUMSTANCES.

Students must vacate the university residences in Madrid before 2:00 pm the day after the last day of classes or closing ceremony. Students hosted by families in Madrid and Costa Rica, and the students hosted in apartments in Florence, and Lyon must depart before 7:00 pm the day after the last day of classes or the day after the closing ceremony.

As a general rule, no changes in the assigned housing are permitted, once the housing has been established, approved, and confirmed. Only in some cases and special circumstances will changes be allowed.

Once housing assignment has been approved and confirmed, and money has been paid to secure it, a penalty will be established for breaking the agreement—in addition to any other fees originated by any type of change. Students agree to respect and abide by all the specific policies, rules, regulations, instructions, written or unwritten, imposed to every resident living in the premises; a signed release and agreement form will be required of all participants. A $500 refundable deposit for all apartments is required to guarantee against possible damages to the premises.

EXCURSIONS

MLSA sponsors excursions in Costa Rica, Italy, and one excursion in Spain. Other excursions/activities are sponsored by the host university to cities, places important for their history, customs, art, architecture or national beauty. Excursions/activities include an MLSA guide or a faculty tour guide and one-day or three-day excursions include transportation. Entrance fees in Spain may be required with the student ID for visits to museums, monuments, etc. Students are required to use public transportation for cultural activities in Madrid, Spain.

Transportation and seats FOR ALL EXCURSIONS are limited on a 1st-come, 1st-served basis. Check on deadlines for specific excursions.

ORIENTATIONS

Before departure, the MLSA office will assist students with information related to academics, course selection, transfer of credits, and travel issues. Once in Spain, Costa Rica, Italy, or France, the MLSA staff will have on-site orientation and introduce participants to the city, university campus facilities and offices; will assist with cultural shock, personal safety, health issues, and living arrangements, to ensure students make a smooth transition. Attendance at these orientations is required. You will receive a folder with information about family, residences, student ID, and other important materials.

MEDICAL AND HEALTH

All students are required to have medical insurance before participating in the program. MLSA in Madrid provides the services of our private doctors for the organization for around 40 euros/visit. He/she will see our students daily on short notice, from 6:00 p.m. to 9:00 p.m.; hospitals are nearby for emergencies. In Costa Rica, students will be able to be attended during the day by medically staffed pharmacies, if necessary for immediate care; or by hospitals. In Costa Rica, you must present a major credit card at hospitals. In Italy and France, the MLSA office will help with medical needs.

TRANSCRIPTS – CREDIT TRANSFER – GRADES – ATTENDANCE

At the end of the program, students will receive grades and credits reported on an official transcript from the universities in Spain, Costa Rica, Italy, and France (not from MLSA). Grades will be recorded in both the American letter system (A, B, C, D, F) and the European/Latin American points system (5, 6, 7, 8, 9, 10). At the end of the program, you will be asked to write down the address where you want the transcript to be sent in the United States. Be very specific about the office and person who will receive the transcript so the transcript does not get lost. The transcript will not be released until all payments and all fees have been paid.

Attendance at classes is required; if the student misses 3 days of classes in Costa Rica, France, or Italy, or 4 days in Spain, he/she will not receive any credits or any documentation testifying that he has participated in the program. A number of late arrivals to class will be considered as one absence.

All courses offered are given on SEMESTER basis. The universities recommend credits to be equivalent to semester credit in American universities. All credits earned under these programs are transferable and will entitle the students to an official transcript, a grade and credit report from the universities which are fully accredited institutions. Although they are fully accredited, the accreditation of these courses and counting the credits towards fulfillment of graduate or undergraduate requirements, teacher certification, or to receive credit in your major/minor WILL DEPEND SOLELY on the decision of the authorities or corresponding departments of the universities of each student. All departments and schools reserve the right to determine how much and what type of credit you may receive. Students are advised to clear all courses with their home school before traveling to Spain, Costa Rica, France, or Italy. Talk to your academic advisor at your own institution, or the person who is going to approve the transfer of credits to your university, institution, organization, to get the courses pre-approved before participating in the program. Complete the Academic Approval, Home School Authorization for transfer of credits form (ask MLSA office for the form); have it signed by your advisor if it is necessary and you want credits; keep the original and make a copy and send it to our MLSA office. Please note that the course offerings listed in the brochure and on the MLSA website are subject to change based on factors such as enrollment and/or teaching faculty at the host university. If a change occurs, immediately contact your advisor for re-approval.

MEDICAL DISCLOSURE While not required, it is advisable that health concerns, both mental and physical, be disclosed to MLSA at the time of application. The disclosure of this information will not result in our denying admission to any student, but will allow MLSA to prepare and/or provide information relevant to his/her selected program in a timely manner. However, differences in disability services can be significant from one country or city to another, and it is beneficial to all involved if students are fully advised of services in advance. The differences in disabilities services within a particular city or host university will not be grounds for grade contestation or exceptions to our cancellation policies.

RELEASE AND AGREEMENT for all programs (must be signed by the participant)

I, __________________________, an applicant for the study program sponsored by Modern Language Studies Abroad (hereby referred as MLSA) agree to the following understanding, binding upon myself and my parents or guardians, if I am under 21 years of age, and upon MLSA.

I, the undersigned (or my guardian if I am a minor) acknowledge that MLSA, its employees and agents, my school board, the teachers, counselors, my local school, the host universities in this country and overseas are not responsible for damages or other liability in connection with the program, or for events beyond their control such as (without limitations) strikes, war, terrorism, loss or theft of personal belongings, delays, weather, acts of God, or government regulations and restrictions; or hotels, restaurants, and other suppliers of program services. I agree to release MLSA, its agents and employees, my local school, the teachers, counselors, directors, and host universities overseas from all claims arising out of such events, acts or omissions.

I understand that MLSA cannot be held responsible for my health, safety and well-being during stay-ahead/behind periods, when I am absent from supervised activities or if I fail to follow the directions of the directors of the program. If I become ill or incapacitated MLSA will assist a student in case of an emergency. I grant MLSA, its personnel or university teachers at their discretion to place me, at my own expense, in a hospital at any point for any services and treatment, or if no hospital is available, to place me in the hands of a local medical doctor for treatment. MLSA and its personnel are further authorized to fly me back to the United States at my expense (or my parents) for medical treatment, if this is deemed necessary by MLSA in consultation with local medical authorities.

I agree to abide by the Participant's Behavior regulations and I understand that MLSA has full authority to terminate participants in its programs and reserves the right to enforce group rules and standards of conduct explained in the brochures and literature. I understand that my failure or refusal to comply with such rules may entail my termination as a participant and my return home at my own or my parents’ expense and that I will have no right to refund of any part of my program fees. I will indemnify MLSA, its employees and agents for any financial liability or obligation which I personally incur, or injury, or damage to the person or property of others which I cause, while participating in the MLSA program.

MLSA is the principal agent and is responsible to participants in making arrangements for all services and accommodations included in the program. MLSA shall not be responsible if airlines, restaurants, ground transportation companies and other suppliers of arrangements fail to provide their service or accommodations exactly as set forth in the program literature.

MLSA may cancel any program or any course at the university for insufficient enrollment or otherwise, and may alter transportation arrangements, programs, itineraries, and departure dates and/ or substitute airlines and equipment as required. I agree to accept any such changes without liability for refund. In addition, I understand that MLSA's program prices are based on currently applicable airline tariffs, ground transportation rates, hotel, residences and home stay rates, tuition rates, applicable government taxes, government regulations and currency exchange rates in effect at the time of printing the brochure and are subject to change depending on the tariffs, regulations and rates. I agree that MLSA reserves the right to increase the price of the program by the amount of an increase in its costs. I agree to pay such increased fees and shall not be entitled to cancel my reservations from the program without penalties as set forth in the cancellation and refund section of this agreement and receive a refund solely on this ground.

I agree that any film likeness taken of me while participating in the MLSA program and any of my comments or statements may be used in future materials published by MLSA.

I understand that I am responsible to obtain the required documentation, including passports, visas and health certificates. My failure to do so will not entitle me to any refund.

REFUND POLICY

I understand that if I wish to cancel my reservation in the program, I must do so in writing to MLSA - P.O. Box 548, Frankfort, IL 60423. Verbal cancellations will not be honored. The postmark of the USA Postal Service will be the effective determining date for all cancellations. I accept the terms of the Refund Policy as outlined in the brochures and specified here.

The $100 registration fee/deposit is NON-REFUNDABLE.

If a participant withdraws:
- More than 60 days before departure: Amount withheld is $400; anything above that will be refunded
- 59 to 30 days before departure: Amount withheld is $900; anything above that will be refunded
- 29 days or less prior to departure: 20% of total program cost

Once the trip has begun, NO REFUNDS WILL BE MADE UNDER ANY CIRCUMSTANCES FOR ANY REASON for tuition, unused accommodations, meals, land/airline transportation, excursions, hotels or other activities. No reduction or refunds will be made from services omitted by me and no substitutions will be allowed for services not used. Services cannot be transferred to another person. We recommend the purchase of Trip Cancellation Insurance. We can supply you with forms and suggested companies.

I agree to forward payments by dates due. A service charge of $200 per person will be assessed to students joining the program after April 10 or participants who fall behind in their payment schedule. Students enrolling less than 75 days before departure must send full payment with the application.
