Stall and Parking Info

1. PLEASE DO NOT ARRIVE BEFORE 4pm ON THURSDAY, 2/5/26. If you do so and park yourself, you may be asked to move.
2. Parking is tight this year, as always! :) Please park close to your neighbor and don't leave lots of room between.
3. Please be respectful of our parking coordinators, Rose and Addie Escobar. They are very familiar with the facility and will do their best to accommodate you.
4. If you plan to park your stock trailer inside the fairgrounds, you will be parked on the cement near the front of the fairgrounds. If you want to park it anywhere else, you will be charged \$80. This is NOT a D4 rule, this is the Fairgrounds rule. D4 will be charged and we will have to pass it along to you.
5. If you want to park together, arrive together. NO saving spots as we have to keep the parking flow moving.
6. Stalls are assigned, so please find your stall on the map.
7. If you switch stalls, please let Rose or Addie know, so they can update their records.
8. Stalls must be cleaned and all waste should be discarded at the manure bunkers. Any stall that is not cleaned will be charged a \$50 fee.
9. PLEASE DO NOT DUMP YOUR WATER IN THE MIDDLE OF YOUR STALL.  
There is an event behind us and there won't be enough time for the pens to dry out.
