CALIFORNIA HIGH SCHOOL RODEO ASSOCIATION

District 4 Sponsorship Donation Form

Aims- "The Development of sportsmanship, horsemanship, and character in the youth of our country."

High School Rodeo is a non-profit organization, organized to promote student's interest in the sport of Rodeo. High School Rodeo is in connection with high school athletics but is not financially supported by any high school. We aspire to create good citizens and to ensure we keep our "Western Heritage" alive in America. All sponsor proceeds are invested into "District 4 Scholarships & Year-End Awards". Student rodeo athletes must maintain a 2.0 GPA and participate in six out of nine rodeos to be eligible for awards.
