To Whom It May Concern,

I am pleased to provide this letter of recommendation for Mike Barrie and Corey Lancaster as they establish their company, BC Stabilization Ltd. Having had both of them as employees, I can personally attest to their strong work ethic, technical expertise, and commitment to safety.

During their time working for me, Mike and Corey consistently demonstrated exceptional skill in slope stabilization. They approached every project with professionalism and precision, ensuring the work was completed efficiently and to the highest standards. Their dedication to safety was evident in every task they performed, making them reliable and trusted team members.

With their experience, work ethic, and attention to detail, I have no doubt that BC Stabilization Ltd will become a trusted name in the industry. I highly recommend them for any slope stabilization project and am confident they will deliver outstanding results.

If you require any further information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Guinn", with a long, horizontal, sweeping line extending to the right.
