EXPERIENCE

FREELANCE VIDEO EDITOR

Soni Visions 2023 - Present

In my role as a freelance video editor specializing in construction Instagram reels, I merge video editing expertise with construction knowledge to create engaging content. Collaborating with the videographer, I use dynamic editing to highlight construction processes and architectural details, while also ensuring alignment between visuals and informative information.

BUSINESS OWNER/VIDEOGRAPHER

Collective Entertainment Media Agency 2022 - Present

CEMA is a Media Company that my fellow partners and I created in-order to pursue satisfactory outcomes from our work-lives. We combine our strengths to all equally produce media content for local talent and more. My 'Editor' role involves sorting Raw Footage, Timeline Constructing, colour-grading and VFX using Premiere Pro, After Effects and CapCut.

FRUIT/VEGETABLE DELIVERY DRIVER

Fresh X PTY LTD 2022-2023

Working as a Delivery Driver required efficient and effective work, not only was this job physically demanding under time restraint but also very important for the business.
