# CHALLENGES OF LEADERSHIP

- ▶ Leave a legacy. Do not underestimate the impact we have on others.
- ▶ Consistency is essential. We must do what we ask.
- ▶ Show confidence and support to those around us (players, staff, etc.).
- ▶ Challenge others, challenge us and dare to change.
- ▶ Want to learn. Adapt, stay curious and expand knowledge.
- ▶ Leave the ego aside and put ourselves at the service of the team.
- ▶ Focus on the process. Successes come as a result of the work.
- ▶ Put the common cause over personal gain.
- ▶ Fight complacency. Not believing that our past successes will guarantee future results.
- ▶ Train and develop people to become their best version.
- ▶ Learn from the past and think about the future but work with our mind on what we should improve today.
