

# OCTOBER

2025

## AUGUST | The Holy Rosary

In 1571 the Catholic League entered into battle against the Ottoman Empire to protect Italy. Pope Pius V called for everyone to pray the rosary, and after a day long battle, the Catholic League returned victorious. In Thanksgiving for Mary's protection, Pope Pius V declared that day, October 7, to be the feast day for Our Lady of the Rosary. The month of October is dedicated to the Holy Rosary because of this feast day and to honor the Blessed Virgin Mary.

| SUNDAY                                                                                                                                                                                                                                               | MONDAY                                                                                                                                                                                | TUESDAY                                                                                                                                                                                                                       | WEDNESDAY                                                                                                                                                                              | THURSDAY                                                                                                                                                                                  | FRIDAY                 | SATURDAY                                                                                                                                                                                                                   |
