

Complex talent strategies and transformation challenges ... **simplified**. We partner with visionary and results-driven leaders to create tailored solutions that enable global, sustainable growth and empower the people behind ambitious business goals.

Available Services:

- **Fractional HR Services & Assessment:**
Access experienced HR leadership on a flexible basis to drive strategic talent initiatives without the overhead of a full-time hire.
- **Strategic Workforce Planning:**
Break through historic pain points and align your global workforce to meet growth and performance goals using data-informed methodologies.
- **Transformation Enablement & Change Management:**
Fuel growth, continuous improvement and innovation to compete in a technology-leaning market. Develop practical frameworks to navigate ambiguity, transitions or high-value strategic initiatives.
- **Leadership Development & Coaching:**
Nurture key talent through customized training content, workshops and action-focused, individual coaching programs.

Why Choose SuccessBridge?

- **Collaborative Expertise: Empowering Your Team**
Assess and amplify your team's practices and skills for faster, meaningful business outcomes with a dedicated, strategic partner experienced in multiple industries and functions.
- **Tailored Solutions to Drive Results**
Co-create and execute solutions when and where your team needs them to maximize your investments and overcome historic internal barriers or delays.

Recent Project Examples:

- Designed and facilitated a transformation workshop for the HR team of a \$1B public financial services company to drive team culture, elevate skills, and secure targeted, strategic action items by individual.
- Delivered a custom digital upskilling program, current state assessment (including job analysis) and future organizational design strategy for the Finance team of a \$500M private manufacturing company.
- Fractional HR advisory services for a regional non-profit organization to support long term talent succession and sustainable organizational growth priorities.
- Designed and led technical tool adoption and awareness programs for the Finance team of a \$4B global, public manufacturing company.

Let's Grow Together:

At SuccessBridge LLC, we believe in enabling sustainable, long-term results through forward-looking talent strategy. No potential obstacle is too big or complex. Beginning a journey of growth and performance excellence is as simple as an introductory call or email. *Let's design your success story and make it a reality.*
