Classic Sportswear Canberra 7s Info for Entrants - ACTION REQUIRED

me to Janine

Aug 15

Draft email to 7s entrants below. Mainly copied from last year. Can you think of anything else? I was going to put something about the Classic gear but I am still waiting for info from them and I think it might be worth sending separately anyway.

Hi Canberra Juniors 7 Entrants (and those on the waitlist in case you get lucky)

The date is fast approaching for the Classic Sportswear Canberra Junior Sevens Carnival on September 16 so I wanted to provide an update for all entrants.

The first two items REQUIRE ACTION so please read carefully.

Entry Confirmation

I have published all current entries on our website here: [TO BE DONE](#)

I would appreciate it if you could check this list to ensure your entries are properly reflected and let me know if any issues.

Teams Lists

I have attached a template for providing team lists. This needs to be filled in and returned via email by Friday 7th of September.

Referees

Finding enough referees is always one of the major challenges of running the tournament.

If anyone is travelling with a qualified ref it would be a huge help if they were able to ref a few games. Please get in touch if you know anyone that could help with this. Referees are paid \$5 / game and will be well looked after with food and drink through the day. We also plan to have senior refs available to provide some coaching to our more junior refs.

Location

Once again, this years tournament will be played at SOUTHWELL PARK, off Northbourne Ave on Thurbon Road Lyneham. There is parking around each ground so you may be able to park close to your field location. A field map will be sent out closer to the day.

Accommodation

There are lots of accommodation option in Canberra close to the venue but two venues are supporting the tournament with special packages:

[Canberra Park](#), only opened in 2017, is a very convenient venue for the tournament - on the road to Sydney and only 5 minutes from Southwell Park. A few teams stayed there last year with very positive reports. They are offering the following for tournament participants:

Room: \$50

Breakfast: \$13

Dinner (optional): \$17

Bookings and inquiries can be made via bookings@canberrapark.com.au or calling 02-6130 1000.

[Leumeah Lodge](#) is a venue that many of our teams have happily stayed at in previous years and this year they are offering us a special package.

Bunk Room Special Offer – Junior Rugby Tournament Sept 2018 –Bed & Breakfast \$65.00 per person

- *4-Bunk (8 Bed) Ensuite Rooms at Leumeah Lodge
- Single-night surcharge waived (\$10pp savings)
- PLUS \$5.00 off accommodation

*4+ guests per room (OR min. \$200 bed only), catering charges only apply for those staying

Contact: reservations.canberra@ymca.org.au

Tents

There is less shade at Southwell than the ground we used previously so we suggest bringing a shade tent if possible. Please note however that it is a requirement that pegs MUST be shorter than 300mm to avoid damaging watering systems.

Food and Drink

We will have multiple food and drink venues available on the day including a coffee van – no need to bring lunch!

Please do not bring your own BBQ as this is not allowed on ACT Govt grounds.

Strapping / First Aid

We will have this service available but people are asked to bring their own tape if they require strapping.

Hopefully that covers the key things you need to know at this point. We will be sending our further detail including draws and ground map closer to the day.

Please don't hesitate to ask if you have any questions.

Cheers

Ben Slater

Secretary, Uni-Norths Juniors

Looking at the draw, an 8:30 kick-off will have the grand finals finishing at 3:45 so presentations, etc should be finished by 4PM whic...

Janine Kirk (President) to me

Aug 16

That sounds good to me.

Maybe we need to put together a run sheet for the session do we don't forget anything. I think it would be good to have all the refs and hopefully Rob or Nathan if they are going to be there to help the refs. Also introduce our field/ground marshals so everyone knows who to approach.
