

Uni-Norths Owls Illegal Drugs Policy

This policy was approved by the **Uni-Norths Owls Junior Rugby committee** at its meeting on **Tuesday 23 April 2019**.

1. Introduction

Uni-Norths does not allow the use, distribution or selling of illegal or prescription drugs (outside prescribed uses) or the consumption or distribution of alcohol by any committee member, club player, family member or visitor within our club, this includes at trainings, games or club events.

All members of our club have a responsibility to ensure that they take reasonable care to protect their own health and safety and the health and safety of others whilst on our club grounds or when representing our club during games, trainings or club events.

2. Purpose of this policy

The purpose of this policy is to ensure the club's committee, players, family members and visitors understand the club's position regarding illegal drugs, misuse of prescription drugs and alcohol consumption or distribution and how the club will respond to any incident relating to these if found within its club, which includes, training, games and club events. This policy reflects our club's commitment to protecting the health, safety and wellbeing of all persons associated with the club and all persons in attendance at club activities.

3. Extent of this policy

3.1 What is an illegal drug?

An illegal drug is a substance that is not permitted to be taken or used according to state and national laws, this included the consumption by or distribution of alcohol to minors or the distribution of prescription medication.

This policy should be read and understood in conjunction with the following [policies from Rugby Australia](#)

- Illicit Drug Policy
- Anti-Doping Code
- Medical Policy
- Member Protection Policy
- Alcohol Code of Conduct
- Code of Conduct

3.2 When does this policy apply?

This policy applies whenever the individual is taking part in activities under the name of Uni-Norths Owls Junior Rugby Union. This includes our club's facilities, games, matches, training, events and trips organised by the club.

Private behaviour of members is not included in this policy as the club cannot be responsible for the behaviour of its members outside the club. However, this policy will apply whenever an individual is wearing a part of the official club uniform which would identify them as being a representative of the club.

3.3 Who does this policy apply to?

All committee members (which includes coaches and team managers), players, family members and visitors to Uni-Norths Owls Rugby.

4. Responsibilities

Our club will:

- Comply with the policy.
- Promote the policy to everyone within our club.
- Promote and role model expected standards of behaviours at all times.
- Appoint and support appropriate persons to lead the initial response, investigation and action for all illegal drug-related incidents.
- Respond to breaches of this policy discreetly and in a timely manner.
- Investigate all apparent or alleged breaches of this policy and take action after all relevant facts and circumstances are known.
- Ensure all responses and actions reflect the club's duty of care to members and visitors.
- Review this policy every year.
- A list of health service providers in our area who would be able to support an individual with a drug and/or alcohol-related issue will be kept in Google Docs for committee members to access if/when required.

Individuals will:

- Comply with the policy.
- Promote and role model expected standards of behaviours at all times.
- Be responsible and accountable for their behaviour.
- Alert the committee of any concern about illegal drug use within the club.
- Honour the club's commitment to the health, safety and welfare of all of our members.

5. Responding to illegal drugs

5.1 Privacy

When responding to an illegal drug-related concern or incident:

- The club will always act with discretion.
- Subject to its right to contact the Police if necessary, the club will maintain the privacy of those involved as far as possible.
- Club members will be informed about the incident on a need-to-know basis only.

5.2 Investigating the concern or incident

The management committee (comprising the President, Vice President, Secretary and Treasurer) will investigate all illegal drug-related concerns or incidents in a timely and discreet manner.

Once all relevant facts and circumstances are known, the Management Committee will recommend appropriate approaches and/or disciplinary measures to the club committee based on the guiding principles outlined in this policy.

5.3 Response

When responding to an illegal drug-related concern or incident, the responses by the club will focus on the safety and welfare of those directly and indirectly involved. All responses will reflect the club's duty of care to all involved.

All illegal drug-related concerns or incidents should be raised with a member of the Management Committee as soon as possible who will document the issue using the incident register and investigate the concern/incident further. In the event that there is no one available, an email requesting a time to meet to discuss the issue is to be sent to info@owlsrugbyjuniors.com.au where both the president and secretary will see it and contact you to organise a time to meet.

If illegal drugs are being distributed or sold on the club’s training or playing grounds by a member or visitor of any age, the local police will be contacted to seek their advice.

If illegal drugs are found within the club’s training or playing grounds the local police will be contacted by a member of the management committee to seek their advice and expertise on how they can be disposed of safely.

6. Non-compliance with policy

Our club will respond to all breaches of this policy. Any disciplinary measures imposed under our policy must be fair and reasonable and will focus on the safety and welfare of those directly and indirectly involved. It will be based on the evidence and information gathered and the impact on the club, other members, players, patrons, visitors and the community.

The safety and wellbeing of the individual is the first priority, ensuring medical assistance if required is sought and the next of kin are informed if appropriate.

Consequences relative to the situation will be enforced by the management committee, which may include suspension or deregistration.

7. Managing media

All contact with the media related to a drug-related allegation or incident within the club will be managed by the management committee ensuring:

- Individual’s names and details specific to the incident are not be discussed with the media
- No admissions of guilt are to be discussed.
