

# The Little Ladybug and the Honey Bee.

It was early in the morning and the Whiffley's were playing ball, when they saw Dr Bee Love scurrying down the hall.

He was in a big hurry with his briefcase he packed, It had goggles and a microscope and things like that.

They asked Dr Bee Love if they could have a little chat, But Dr Bee Love said "I'm sorry." As he put on his hat.

"I have an appointment and I can not be late, It is very important and it just won't wait.

I am on my way. I have pollen to detect, but first this pollen I must inspect. "

Dr Bee Love told the Whiffley's he

would give a

report, And it would be full of details with the facts of  
some sort.

The Whiffley's then asked if the they could go for  
the day, And watch him inspect this pollen and  
hear what he had to say.

Dr Bee Love agreed that they all would go, And  
inspect this pollen so they all will know.

How important it is for this pollination, And who is  
doing this for the entire nation.

So off they all go right on time,  
And when they arrive this is what they find.

The Little Ladybug and the Honey Bee, Living together  
happily in an apple tree.

It started one day in the middle of June, The Honey Bee  
got stuck in a flower bloom.

He wiggled and he wiggled until half past three,  
the Little Ladybug helped to set him free.

Then

They have been best friends since that special day, Best Friends forever so they say.

They fly around from flower to flower, Helping themselves to the nectar by the hour.  
And as they sip that nectar so sweet, They are pollinating flowers with their feet.

You can hear them laughing in the Apple tree,  
Laughing "Ha Ha Ha and Hee Hee Hee."  
That is the Little Ladybug and the Honey Bee, Laughing "Ha Ha Ha and Hee Hee Hee."

So Dr Bee Love says to the Whiffley's you see,  
How important it is to have the Ladybug and our Honeybee.
