Short & sweet!

BY JOY M. MAXWELL, OWNER & LEAD ADVISOR

I am so excited to share Ark Advising's first promotional video with all of you!!

THANK YOU! THANK YOU! THANK YOU! to the MBDA Business Center located in St. Louis, MO which is operated by the Chicago Minority Business Development Council, Incorporated. They used part of their CARES Act funding to provide "case management" and other services to entrepreneurs like me throughout the pandemic. Additionally, they paid for the two-minute promo video I just uploaded to our website.
