ATTENTION- IMPORTANT CHANGES TO FINGERPRINT SERVICES

Effective February 17, 2020, IDEMIA (formerly MorphoTrust), New Jersey's vendor for fingerprinting services, is implementing a new Universal Enrollment Platform (UEP). This new platform is intended to simplify the scheduling process by the assignment of one unique service code that will be used to schedule fingerprint appointments.

The 5-digit service code will replace the need for applicants to enter multiple pieces of information from the Identogo fingerprint form when scheduling appointments.

NOTE: Applicants who wish to schedule an appointment prior to February 17th will still be able to use the Identogo fingerprint from they were issued and schedule an appointment at www.bioapplicant.com/.

Applicants who wish to schedule an appointment after February 17th will still be able to use the Identogo fingerprint from they were issued and schedule an appointment at <https://uenroll.identogo.com/>

On February 17, 2020 applicants will go to <https://uenroll.identogo.com/> (or call 877-503-5981) to schedule an appointment. Applicants will still be able to use the Identogo fingerprint from they were issued to schedule an appointment. Applicants can look up the Service Code by using the information found on the Identogo fingerprint form. See example below.

The screenshot shows the Identogo logo at the top left. Below it is a blue header bar with the text "Service Code Lookup". The main content area is a white form with several dropdown menus and a submit button. The form fields are:

- Select the State/Program for your ORI: New Jersey
- Select your ORI: NJ0205302 - NJ MOTOR VEHICLE COMMISSION
- Select your Category: MVS
- Select your Statute / Reason for Printing: 39-13-7 AUTO BODY REPAIR FACILITY
- Select your Document Type: -- Choose One --
- Select your Document Type: -- Choose One --

At the bottom right of the form is a blue "Submit" button.

IMPORTANT INFORMATION FOR PROVIDERS/EMPLOYERS/AGENCIES

DHS will send Service Code Forms (replacing the Identogo Universal Fingerprint Form) to providers, employers, and agencies by February 14, 2020. If you do not receive the new form with your service code by February 14th, please call ECCU at 609-292-0207. See sample below.

- Enhanced Driver's License (EDL)

As of February 17th, applicants will go to <https://uenroll.identogo.com/> to schedule appointments. They will enter the Service Code and the Contributor Case Number.

Your contributor case number will not change.

Applicants will choose an appointment date, time, and location and then enter their demographic information.

Applicants will receive a receipt (as they always have), that they will return to you.

Note: Receipts will no longer contain the PCN number. Receipts will contain a UEID.

If you currently access cleared results from the DHS FARA system, <https://www.state.nj.us/humanservices/staff/opia/cfu/fara.html> , or if you need to retain the PCN number for archiving or other purposes, you will be required to look up the PCN- now called the TCN- number through IDEMIA.

Note: DHS is working on updates to FARA in order to avoid the following steps. Your patience is appreciated.

To find the TCN number (formerly the PCN number):

The fingerprint receipt will display a UEID.

The UEID will always be 10 characters long, and will always have a prefix of "UZNJ" for New Jersey submissions. The remaining 6 characters will be alpha or numeric, randomly assigned by the system.

If an applicant provides their email address, they will receive an automatic email that includes the TCN once they have been printed and the submission completed. The applicant can forward this e-mail to the employer/provider/agency.

OR

Employers/providers/agencies can visit the "Check My Status" UEP link at <https://uenroll.identogo.com/> website (also shown on the bottom of the receipt).

Enter the UEID and applicant DOB. You will receive the service summary page. This could be accomplished in real time by the facility HR or staff as long as the applicant has their receipt/UEID.

See example below.

Use the TCN number in place of the PCN number on FARA

Fingerprint applicants are not authorized to access results from FARA- only agency personnel should access results from FARA

The screenshot shows the 'Fingerprint Approval Retrieval Application' form from the State of New Jersey Department of Human Services. The form is titled 'Administrators Only' and asks for the following information:

- PCN
- Contributor's Case #
- Fingerprint Date

There are input fields for each of these items, and 'Submit' and 'Clear' buttons at the bottom.
