The Village Board shall sit and act as the Village Board of Appeals and shall have the power and authority, when appealed to, to modify the decision or order of the building inspector. Such a decision shall be final, subject only to any remedy which the aggrieved person may have at law or equity. Applications for review shall be in writing and shall state the reasons why the variance should be made. A variance shall be granted only where it is evident that reasonable safety and sanitation is assured and may include conditions not generally specified by this Code to achieve that end. A copy of any variance so granted shall be sent to the applicant.

ARTICLE V - MOVING BUILDINGS

SECTION 4-501: PERMIT AND BOND REQUIRED; PERMIT FEE

It shall be unlawful for any person to move any building over or across any street or public way of this village until a permit therefor has been issued by the chairman of the Board and all other provisions of this article complied with. The chairman of the Board is hereby authorized to issue such permit upon the written application of the owner of said building proposed to be removed, or of his/her agent, showing the size and kind of building, its present location and its proposed location. All applications shall be accompanied by a permit fee set by resolution of the chairman and Board of Trustees and on file in the office of the village clerk.

However, said permit shall not be issued until the owner of said building has furnished a bond with good and sufficient surety of \$10,000.00. Said bond is to be issued on condition, among other things, that said licensee will in all things strictly comply with all the provisions of the ordinances of this village relating to house-moving, and that said licensee will save, indemnify and keep harmless the said village from all liabilities, judgments, costs and expenses which may in any wise accrue against it in consequence of the granting of such license.

In addition, said licensee will pay to said village any and all damages which may be sustained by any pavement, curb, gutter, sidewalk, street or other village property through the moving of such building by said licensee, and said licensee shall pay the owner any and all damages caused in a like manner to any private property in said village. Said bond shall be approved in writing by the chairman of the Board before such license is issued.

The chairman of the Board in said permit shall limit the time of removal and shall specify the route to be followed in moving said building over and across the streets and public ways of said village, which shall be the route that least interferes with telephone systems and lighting systems in said village under all circumstances. It shall be unlawful for any such licensee to digress from such time or specified route without permission or written consent of the chairman of the Board.

SECTION 4-502: NOTICE TO PUBLIC SERVICE COMPANIES REQUIRED

Before moving any building, the licensee shall notify all public service companies whose wires or other appliances may obstruct the moving of such building of the time when such building will be moved, and request such public service companies to arrange for the passage of such building. Such licensee shall pay said public service companies the reasonable and actual cost and expense of the work required to be done.

SECTION 4-503: CARE REQUIRED OF LICENSEE

It shall be unlawful for any licensee to make any openings or excavations in any street pavement or to set any stakes therein, and it is hereby made a duty of every licensee to move any buildings in a careful manner and with the least possible injury to the public or private property. For every such injury or damage, he/she shall be liable on his/her bond. The estimate of the chairman of the Board of any damage shall be final and conclusive upon said licensee.

SECTION 4-504: NO GENERAL PERMIT

There shall be no license issued or general permit given to anyone to move buildings at will or generally within the corporate limits of the Village.

ARTICLE VI - PEDDLERS AND HAWKERS

SECTION 4-601: REGULATION

All peddlers and hawkers shall, before doing business within the Village, make application for and be issued a license to prevent the sale of fraudulent, dangerous and unhealthful goods and services, to protect the public by maintaining records of the products sold and the persons and companies responsible for such sales and for the purpose of raising revenue. Application for a license shall be made to the village clerk upon blank forms supplied by the Village, and shall contain all the necessary information and documents required for the protection of the residents of the Village. Any person or persons granted a peddler's and hawker's license shall be subject to any fees, occupation taxes and other rules and regulations which the Village Board deems appropriate for the purposes stated herein. Any license so granted shall be subject to revocation for good and sufficient cause by the officials of the Village.

SECTION 4-602: HOURS OF SOLICITATION

It shall be unlawful for any solicitor, salesman or peddler to solicit any individual between the hours of 6:00 P.M. and 8:00 A.M., unless they have a previous appointment with the resident of the premises solicited. It shall be unlawful at any hour for a solicitor, salesman or peddler to solicit without having a proper license on his/her person at all times.

SECTION 4-603: EXCEPTIONS

Nothing herein shall be construed to apply to any person selling produce raised within the county, to wholesale salespeople soliciting merchants directly, to a representative of a nonprofit or charity organization soliciting on behalf of that organization, nor to persons canvassing residents within the Village for religious, political or other noncommercial purposes. (Amended October 21, 2002, Ord. No. 10-21-02)

ARTICLE VII - PENAL PROVISION

SECTION 4-701: VIOLATION; PENALTY

Any person, firm, association or corporation violating any of the provisions of Chapter IV hereof for which no other penalty is imposed shall, upon conviction, be deemed guilty of a misdemeanor, and be fined in an amount not more than \$500.00. Each day's maintenance of the same shall constitute a separate offense and may be prosecuted as such.
