DWI Solutions is Your Driver's License Reinstatement Expert

Over 10 years' experience reinstating clients in Minnesota and 7 other states!

I'm your comprehensive driver's license reinstatement solution here **to save you and your clients' valuable time and frustration** of dealing with Minnesota and other states' Driver and Vehicle Services offices.

You know the law and I know the rules. Let's get it done together.

Major (Retired) Julie Grandaw

Do you want to save time and keep your clients happy?

My goal is to have your clients reinstated BEFORE they are even revoked!

I deliver that personal touch by handling each call, text and email to help your clients expedite their driver's license reinstatement, saving you hours of non-legal paperwork to focus on the court case.

My services include assistance with the DWI Rehab Program (non-ignition interlock), Ignition Interlock Program coordination/paperwork, and out-of-state reinstatements...I'm here for you and your clients.

I get it done right, and I get it done fast!

Is your client already revoked (or will be soon) or can't take time away from work? No problem! I complete the paperwork, coordinate client required tasks, and I will personally go into MN DVS and submit the reinstatement paperwork to an Evaluator, on your client's behalf, and have your client reinstated before I leave the DVS office.

DWI Solutions—Think of me as your DWI Reinstatement Concierge

I provide free consultations to you and your clients and want to be the invaluable resource you rely on.
