## SERIES 2

## THE VALUE PACKED PROVEN PERFORMER

The Ero<sup>®</sup> garage door opener offers great value for money. With important features included, Ero<sup>®</sup>'s 650N motor will drive most standard residential sectional doors.

It's the choice for new homebuyers and for all the right reasons. It comes standard with the important features of TrioCode™ 128, Intelligent Safety System, Door Profiling and Soft Start/Soft Stop. It also includes a Standard Courtesy Light, and conveniently a service indicator to remind you when your door needs servicing.

## WHAT'S IN THE BOX:

Opener with  
Courtesy Light

Three TrioCode™ 128 Remote Controls

*\*When maximum spring balanced weight is 20kg.*

*\*Please see full warranty terms and conditions on our website. This brochure is not evidence of our warranty. Our warranty is in addition to any consumer guarantees that may apply under the Australian Consumer Law.*

## AT A GLANCE:

### SECURE & RELIABLE REMOTE CONTROL

The TrioCode™ 128 remote control ensures secure and reliable home access. It transmits on three frequencies to defeat radio interference, and uses a 128-bit encryption protocol (with trillions upon trillions of random codes\*) for the ultimate in security.

\*340,282,366,920,938,463,463,374,607,431,768,211,456 codes

### POWERFUL MOTOR

This DC motor generates a peak pulling force of 650N and reliably lifts garage doors up to 100kg of weight<sup>†</sup>.

### COURTESY LIGHT

A built-in Courtesy Light means your immediate surrounds can be lit to provide security and convenience.

### 5 YEAR WARRANTY

The Series 2 Ero<sup>®</sup> is backed by a 5 year/ 10,000 cycle warranty\*, giving you peace of mind.

## POPULAR ACCESSORIES

### Smart Phone Control Kit

Monitor and operate your garage door and gate on your smart phone from anywhere\*. Control more than one location from the one app, such as home and holiday home. Receive push notifications about the status of your garage door and gate, view past activities, set various opening modes, customise user settings and more in the Automatic Technology App.

\*Subject to cellular and WiFi connection and availability.

**Wireless Keypad** Placed on the outside of your garage, our keypad delivers weatherproof, secure access without a remote control or keys. Perfect for school kids and active families.

**Wired Safety Beams** Using a 2-wire system, these safety beams help protect your family and possessions by detecting obstructions while your door is closing.
