Just over 1/2 an acre! It's amazing to walk out to a huge back yard...a feeling of tranquility. If you love older homes with character, then this is for you! Lots of history to this charming home. Original wood door and wood frames, upgraded flooring, finished basement. Location is perfect! Close to the 401 and Hwy 8 for easy access in which ever direction you need to commute. A new mall is currently being built just down the road for shopping and banking. A wonderful restaurant across the street!

**\$999,999**

**\*\*JUST SOLD\*\***

This 3 bedroom + den, 4 level sidesplit home is located in a quiet desirable neighbourhood. Finished basement with a rec room and a large laundry/furnace room. The master bedroom is large enough for a king bedroom set. The property backs onto parkland and schools, no rear neighbours! The back yard has a large shed that just had new shingles installed in March 2024. Previous owner had new furnace and a/c installed from Dunn Heating for \$21,000 in 2023. Walking distance to schools and bus routes. Walk out through man door in garage to back yard. Immediate possession available.
