

Payments

Current tax payments may be made with your original statement at the Parma Township Office (secure drop slot available on the north side of the building) or mailed to Parma Township, P.O. Box 51, Albion, MI 49224. Postmarks are not accepted.

Checks are accepted (pending bank approval), money orders or cash for the exact amount. NSF checks will be returned and a service charge of \$35.00 will be added to the tax amount owed. Checks will no longer be accepted once an NSF check is received.

It is always helpful to write your telephone number and property tax ID number on your check.

Partial Payments of Taxes

Parma Township will accept partial payments of taxes owed. Late interest will be added on tax amounts owed after the due date.

Tax Receipts

Tax receipts are available by fax, email or by including a self-addressed, stamped envelope with your tax payment. For property tax payment history please contact the Treasurer for assistance at (517)-629-8277.

Failure to Receive Tax Statement

Failure to receive a tax statement does not exempt you from penalties when taxes become delinquent. Change of address should promptly be reported to the Parma Township Office. If you have funds escrowed with your mortgage company to pay your taxes, please make certain they received the statement. If you are responsible for paying directly to Parma Township and have not received a statement within 30 days after July 1 and/or December 1, please contact the Parma Township Office.

Statement of Right to Appeal – Primary Residence Only

You have the right to appear at the July and/or December Boards of Review for Primary Residence and Agricultural exemptions. The Parma Township Assessor can be reached at (517) 629-8277 on Wednesday mornings.
