

FAQ's

- **Check in:** On Picture Day, please make sure you assemble your teams and check in with the Splash Photo Coordinator together at the table for them to capture each child's photo on the check in app. We use facial recognition and want to ensure we get each child's face to attach to their name.
- **Buddy Requests:** If you would like buddy pictures, please let the photographer know. All buddy requests will be completed after the team individuals are finished.
- **Digital Galleries:** All galleries will be delivered via email (using the email on record with the group) within 3-4 weeks of the shoot date. To ensure successful electronic delivery, please add Splash Photo's email addresses: splashphotoco@gmail.com and gallery@photoday.io to your safe sender list.
- **Packages and Pricing:** Once you access your galleries, you can choose from a variety of packages or a la carte items. These will then be shipped directly to you. No need to pre-buy and no forms to fill out!
- **Shipping Tip:** If there are siblings, you can add items to your cart from one gallery, access another gallery, and add items to the same cart to avoid paying for shipping multiple times.
- **Where are my pictures?** In the event you don't see the email with galleries, within the two-week time frame, email splashphotoco@gmail.com with the child's name and team name and we will send a direct link and access code.
