Entering our sixth decade in business, we reflect back with gratitude for our customers, employees and the thousands of golf professionals who have helped us become what we are today. But this is only the beginning. Together, we look forward to the future and delivering exceptional quality, unique innovation, and service with pride.

PROGRAMS

AM&E Programs provide a variety of creative designs that allow for endless customization and personalization. With multiple Programs to choose from, see what works for you.

Minimums and setup costs may apply

SCATTERED LOGO

A scattered logo design repeats your logo or an element of your logo to create a lively and appealing pattern covering the surface of your products.

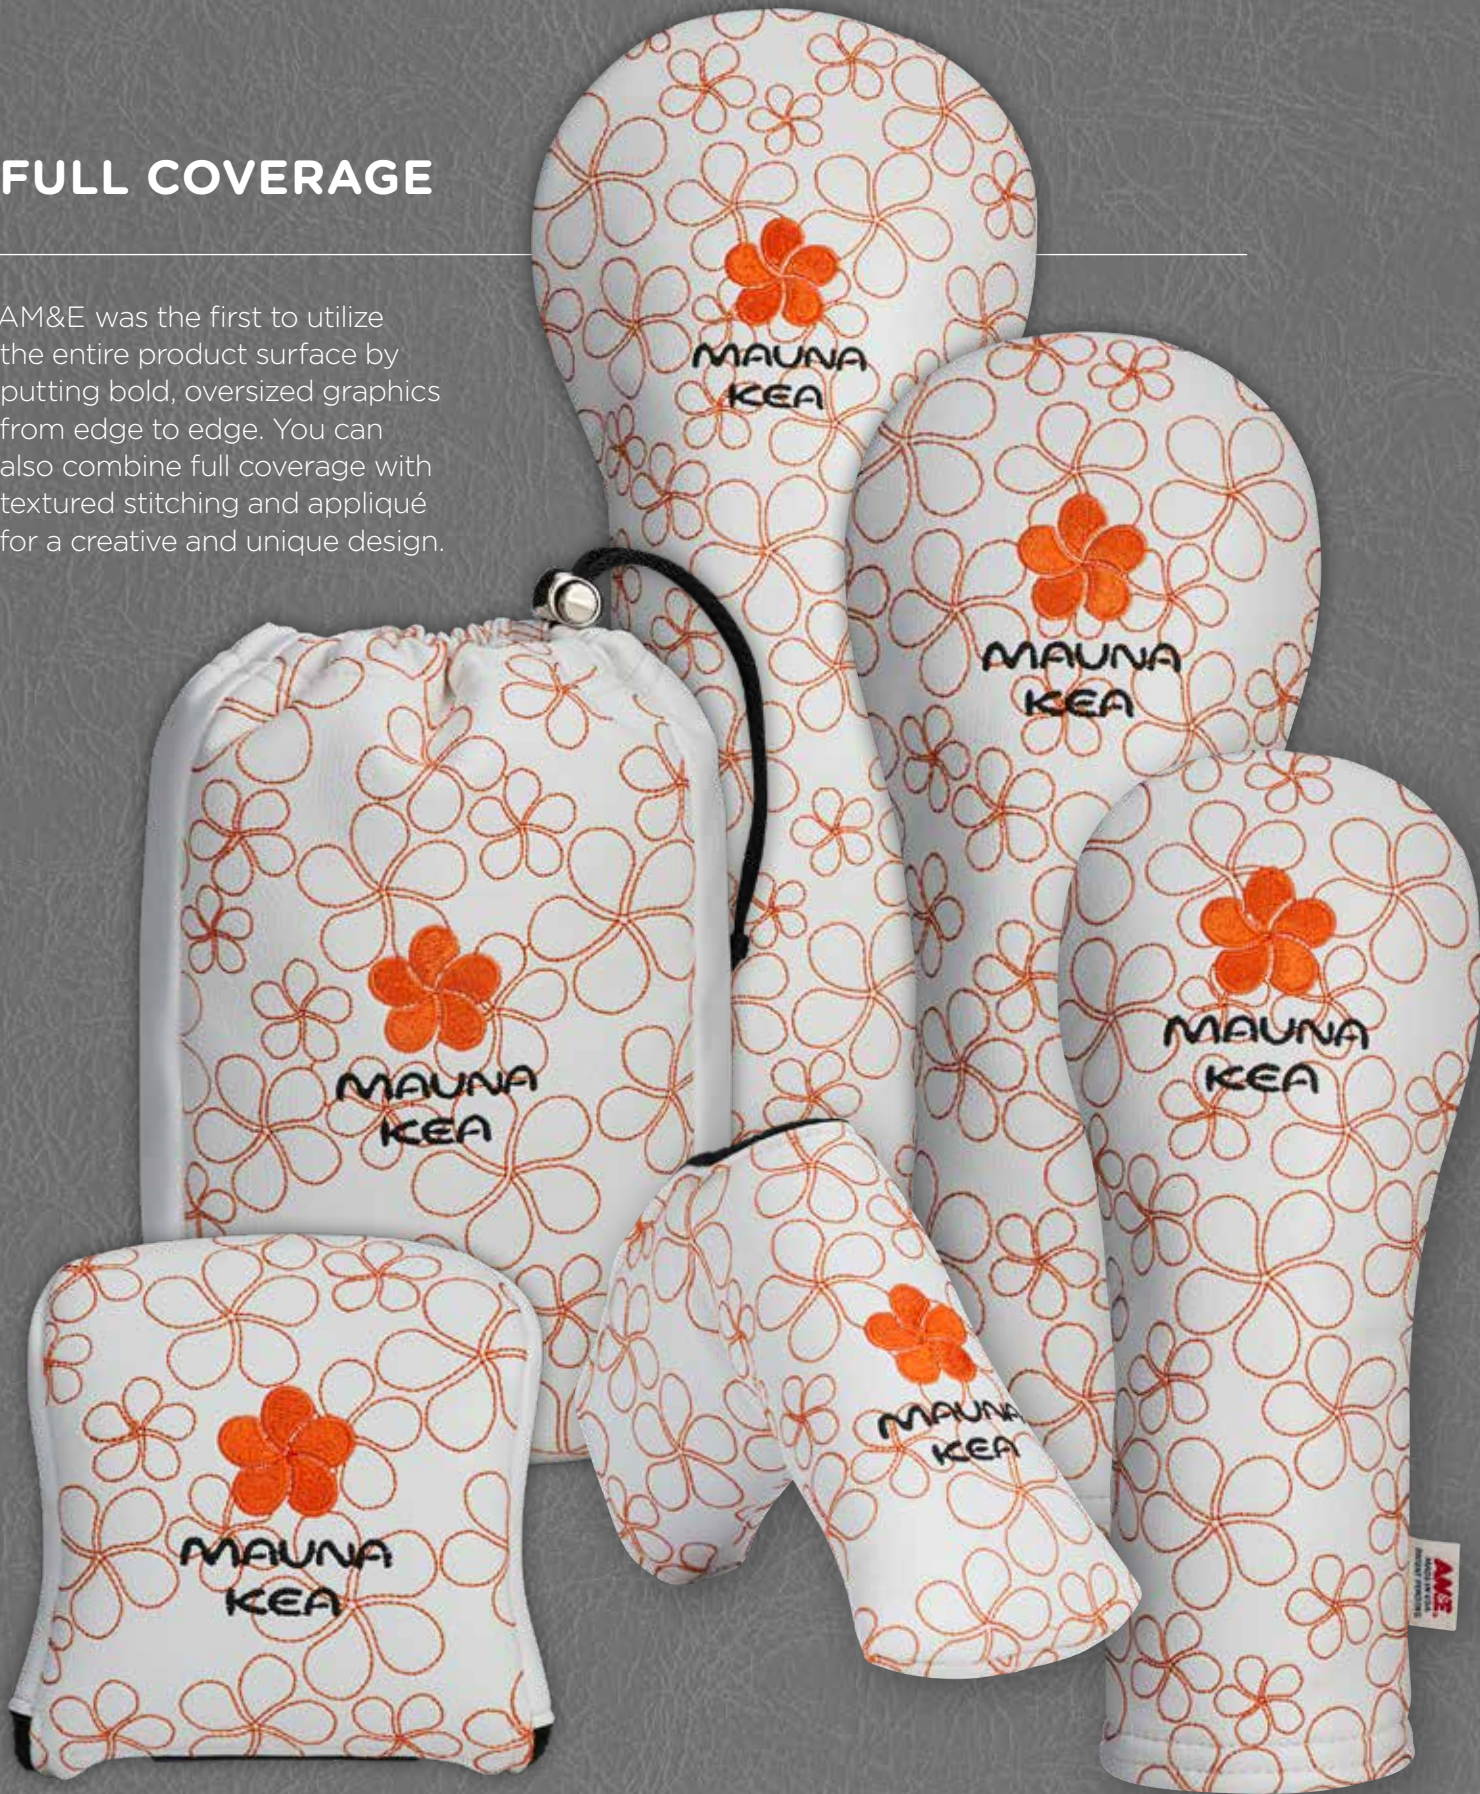

HOT STAMP

Create a custom debossed fabric with hot stamp design, logo or text then top it off with your embroidered club logo. Ultraleather® fabrics only.

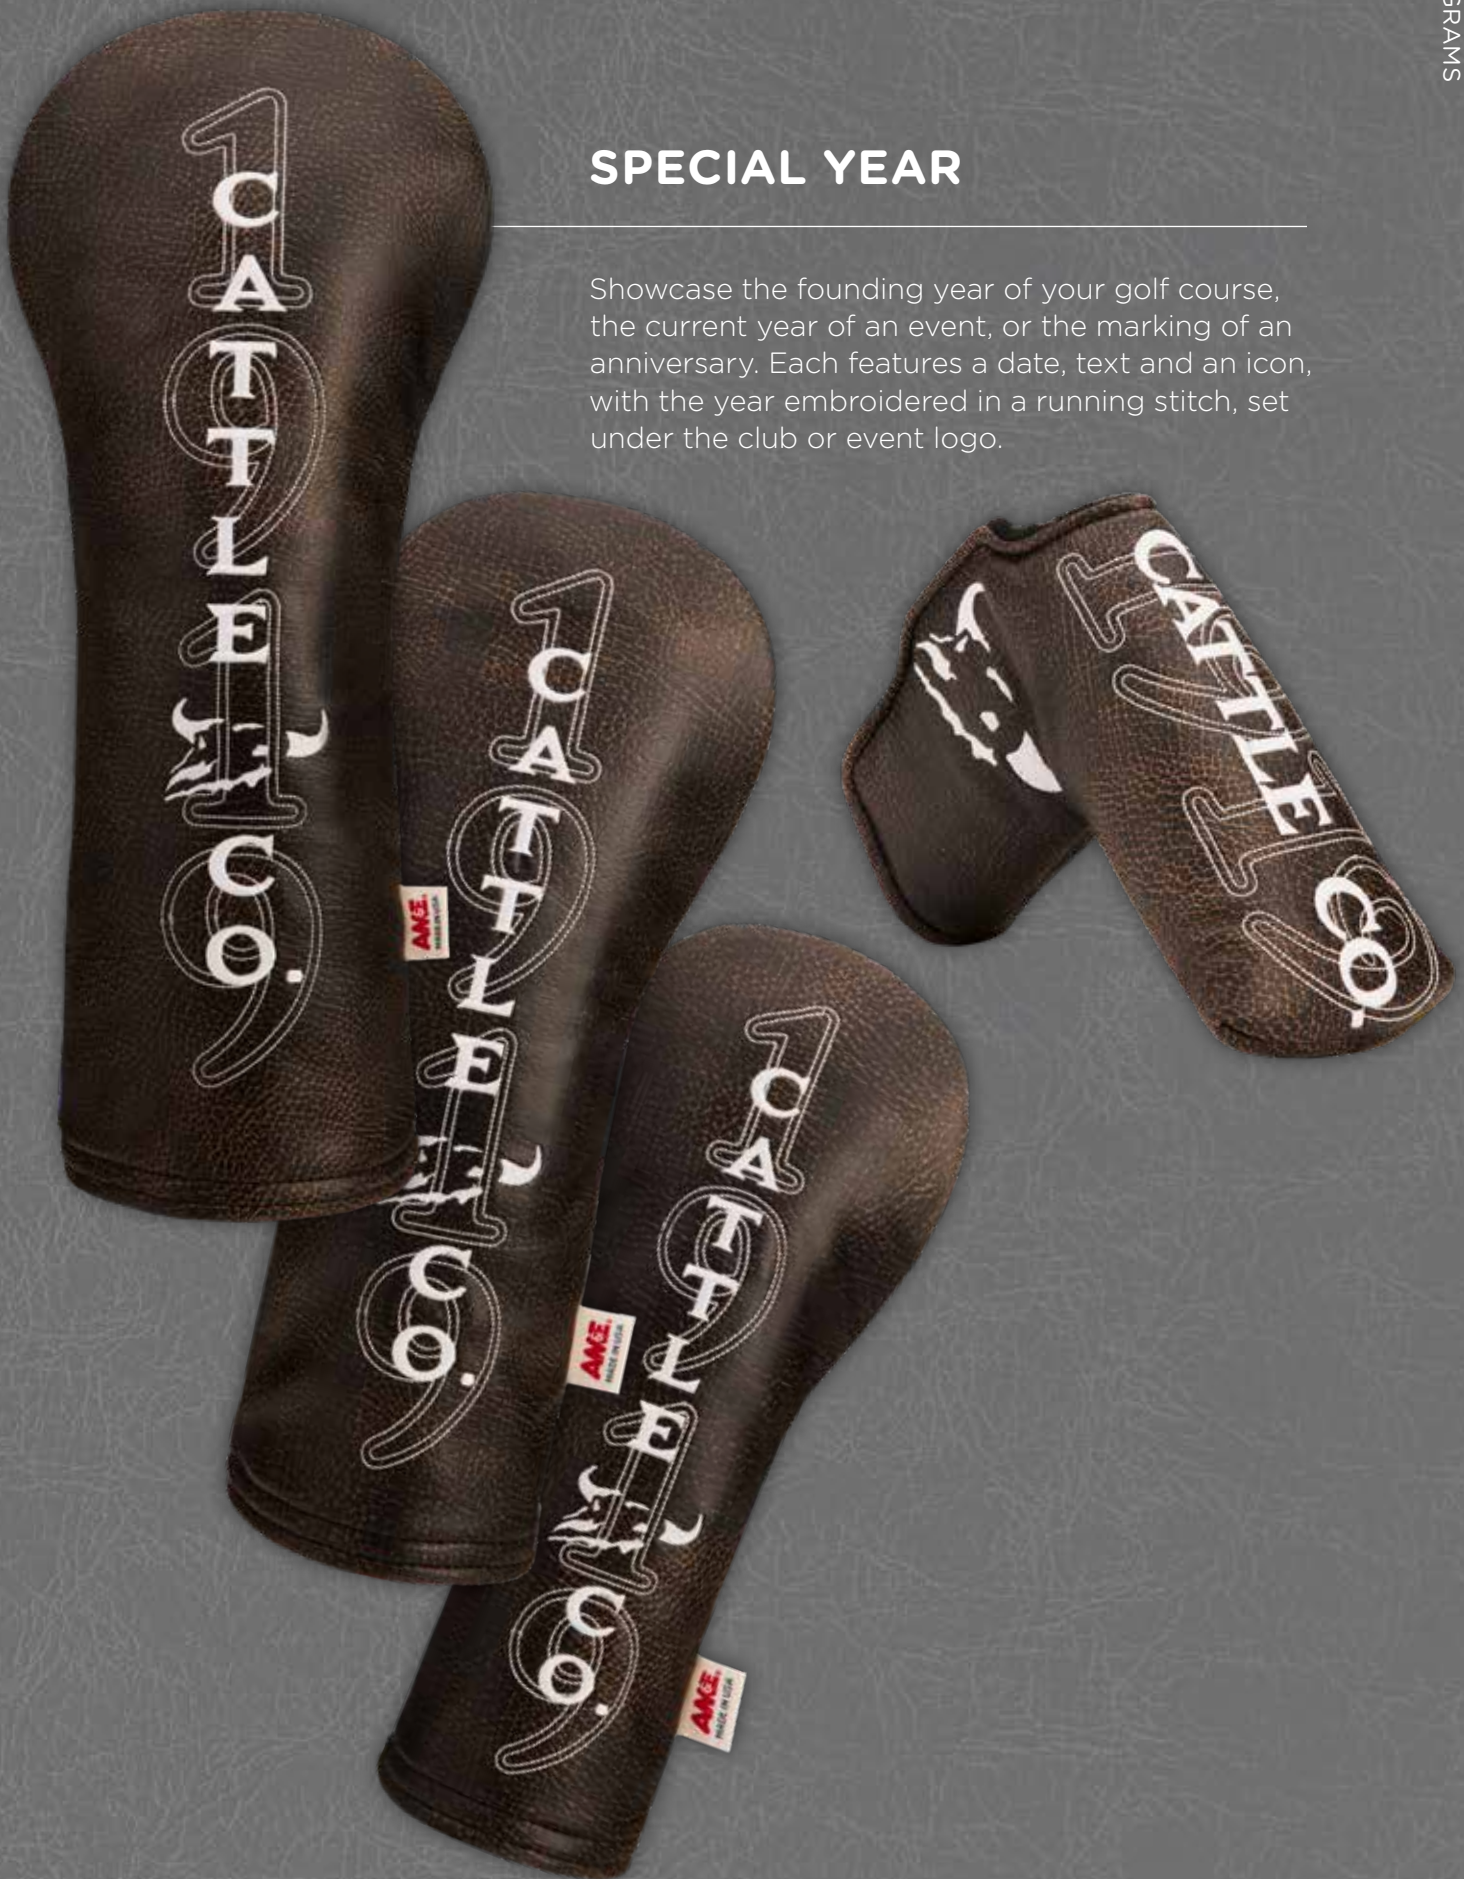

FULL COVERAGE

AM&E was the first to utilize the entire product surface by putting bold, oversized graphics from edge to edge. You can also combine full coverage with textured stitching and appliqué for a creative and unique design.

SPECIAL YEAR

Showcase the founding year of your golf course, the current year of an event, or the marking of an anniversary. Each features a date, text and an icon, with the year embroidered in a running stitch, set under the club or event logo.

LIBERTY PROGRAM

This style is perfect for stock or special events. It highlights your club or event logo with bold red, white and blue accents. Navy appliqué and embroidered stars stand out against a field of white, creating a patriotic design with a strident statement of fun and celebration.

STARS & STRIPES

Enhance your brand with the ultimate patriotic flair. We custom designed the Stars & Stripes Collection specifically for Victor Head Covers in Snow Promessa, as well as Universal Large Mallet, Standard and Mid-Mallet putter covers in White Ultraleather®.

AMERICAN BEAUTY REVERB

This style was created specifically for the Reverb® Head Cover. It highlights your club or event logo with bold red, white and blue accents.

Navy appliqué and embroidered stars stand out against a field of White Ultraleather®.
