

Jothi did his B.Tech (IT) at VIT, Vellore (2000 to 2004), with an aggregate of 80.69%. Thanks to the Transcendental Meditation, he got initiated in 1998

Jothi immersed himself in speaking for hours with different sets of audiences through the Sudarshan Kriya from the Art of Living - Sri Sri Ravi Shankar

Jothi worked for HCL Tech from January 2005 to November 2013. He applied common sense to solve complex clients' problems. He wanted to code humans

Jothi found an interest in running for hours. Got initiated by Clairvoyant Zen Master Crazy Yogi Lou

I can  
challenge  
myself with my  
past version

Jothi landed in the USA on November 11, 2006, and spent 16 months working for Axcelis Technology Inc.

In Mar 2007, Jothi worked for Samsung in South Korea. Realized his calling to touch and inspire 2.5 Million Human Beings after visiting a Buddha Temple.

Jothi attended the Landmark - Ontology Course for 6 months from Jun 2010 & witnessed adventures within. His Clairsentient and Claircognizant abilities awakened

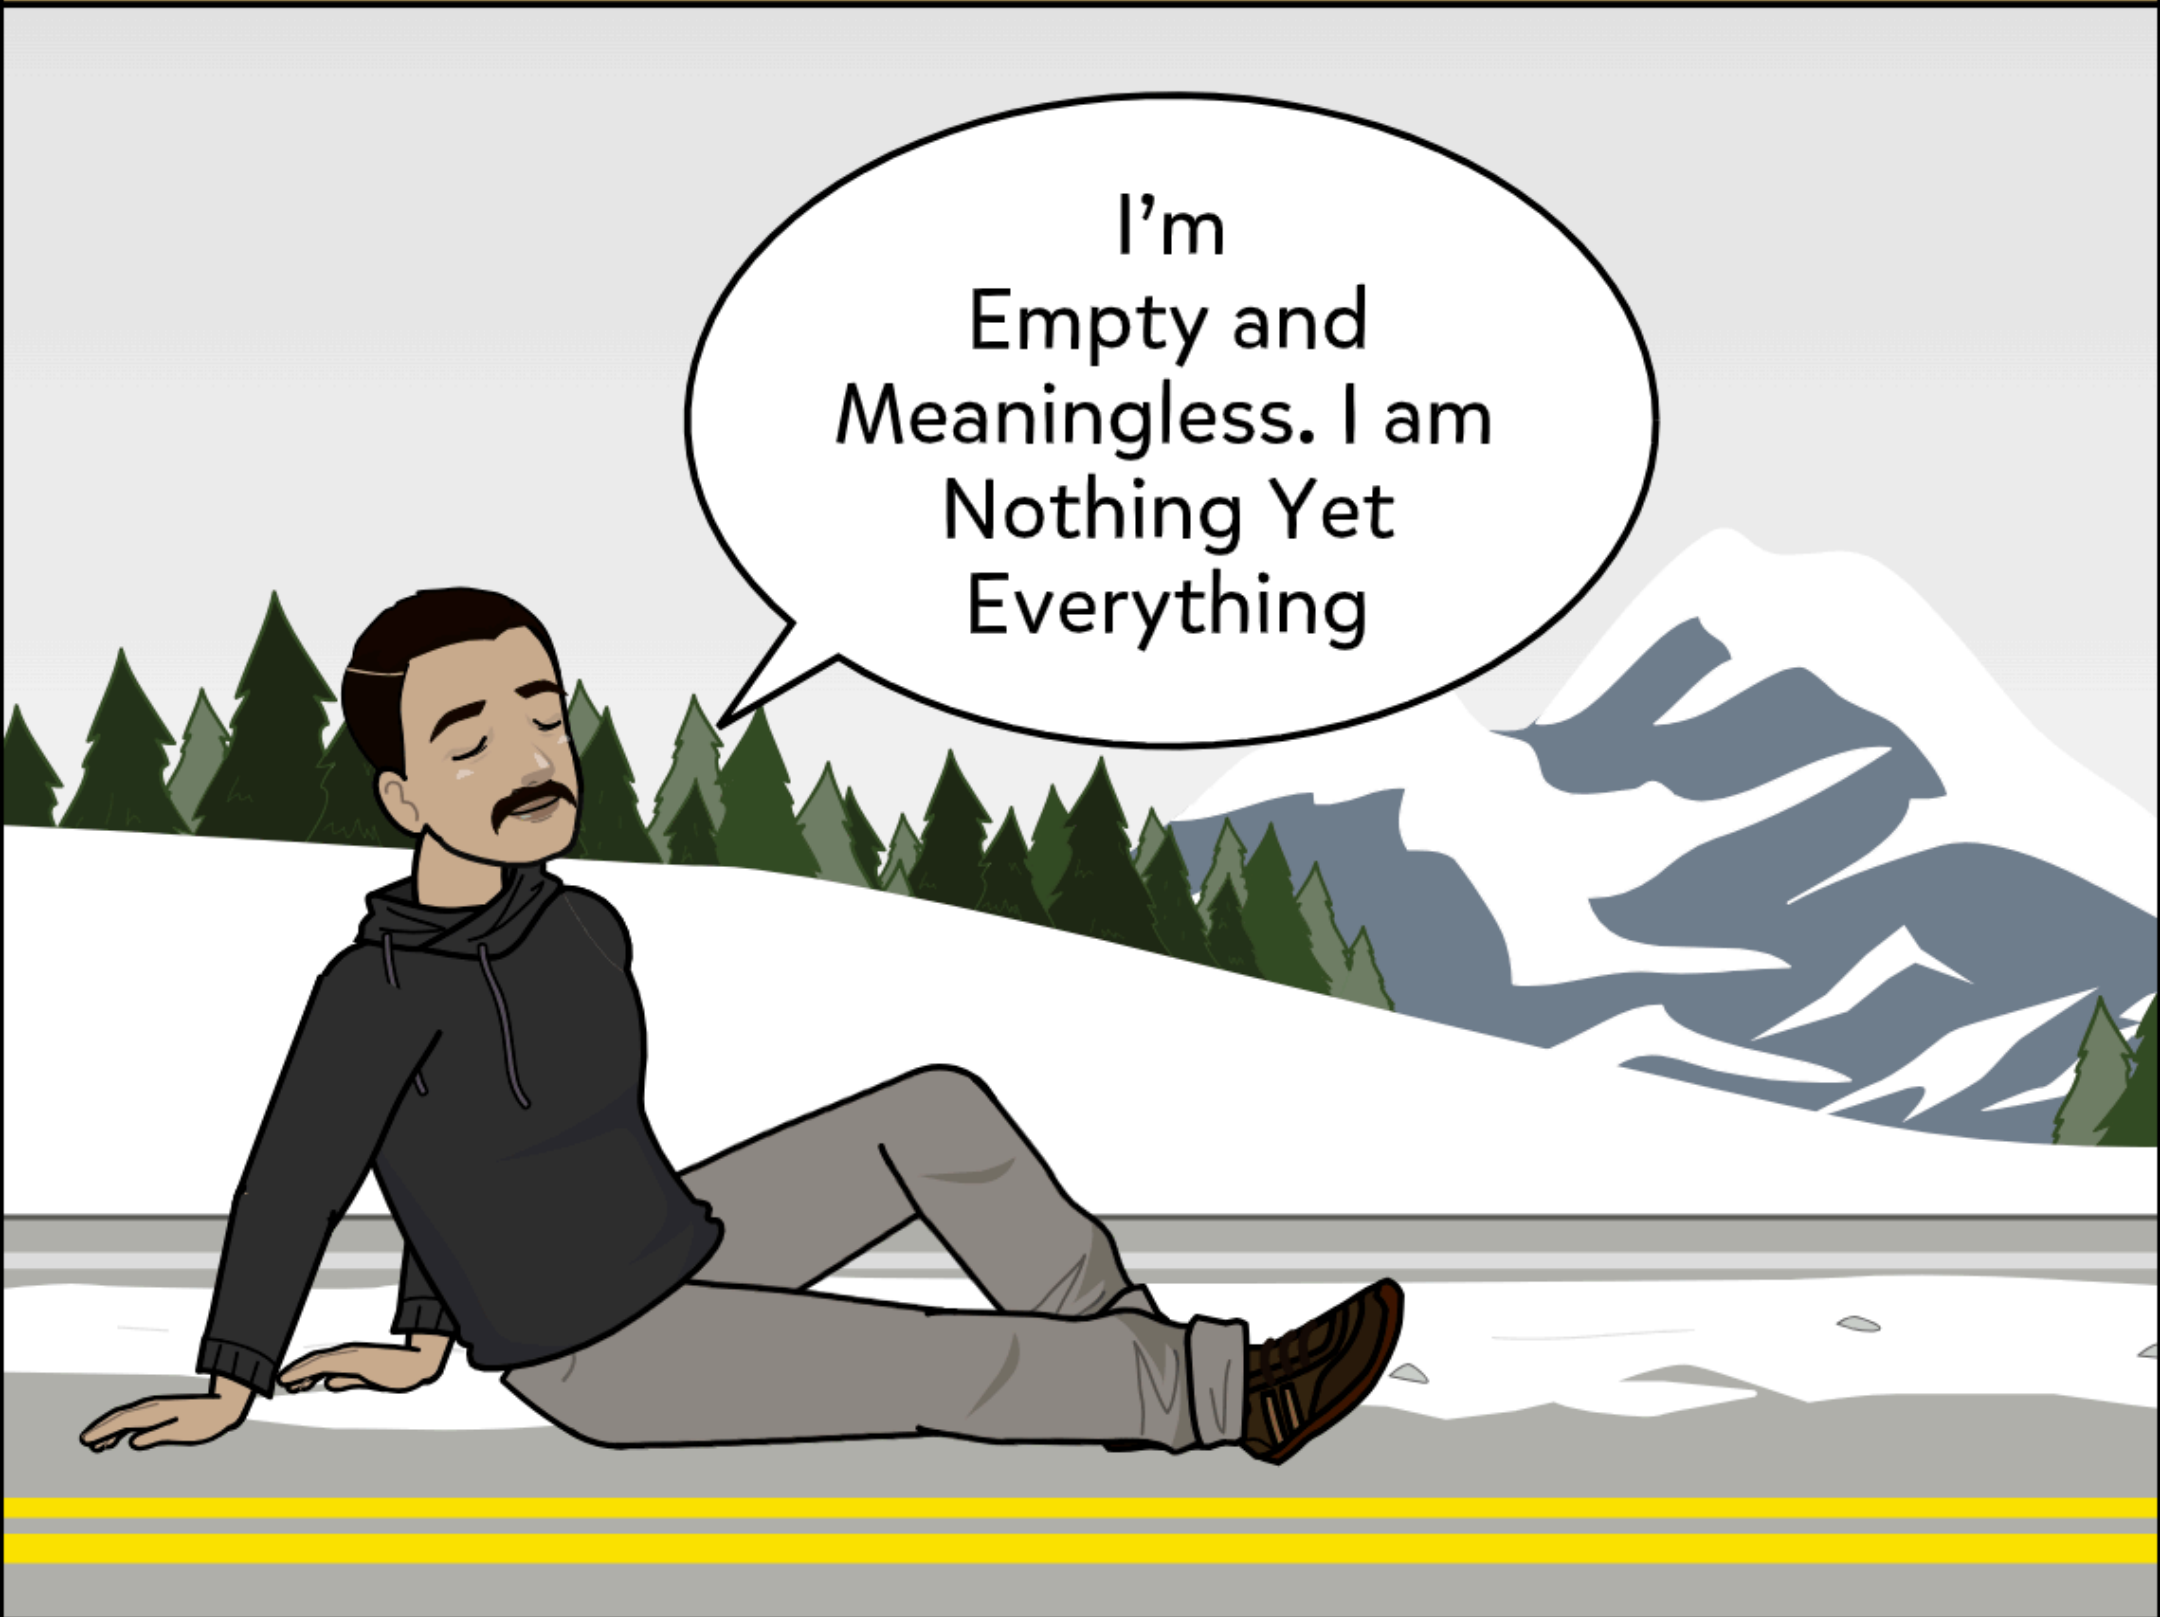

In November 2010, Doctors said to Jothi about his inherent possibilities for being in Bipolar Mental Issues. After going through so many episodes, Jothi chooses his scenarios as they are and taps the best out of them.

Only by  
the end of our life  
can we tell whether  
it's a Curse or  
a Boon

Jothi got initiation from Sadhguru in Jul 2013, took a 16-day Pilgrimage guided by the Isha Foundation to Mount Kailash, Tibet, from August 16, 2014. Following it, there is no turning back of his vision of transforming Extra Ordinary Humans to Extraordinary Beings.

In Apr 2015, Jothi experienced a Kundalini Awakening, and had downloads for a continuous 9 days and nights

In Jan 2016, Jothi's business incurred a huge loss & went through a divorce and severe depression. After a few months, Jothi recovered from it and started to pursue his calling of touch and inspire 2.5 Million lives

Jothi remarried in 2021, touched 1000+ clients, besides an impact on 25,000+ human lives through his NGO.
