

Approval Procedure for Pond Planting in St. James Plantation

This document provides the procedure for receiving approval for planting in and on the banks of St. James ponds and streams. Approvals are required by the St. James Plantation POA Pond Committee and Troon (if golf course pond). Please provide the following Information:

1. Name, Address and contact information (email, phone)
2. Length and width of planting areas
3. The plant types and numbers (see note 1)
4. A sketch of the pond edge showing plant locations. Indicate the approximate slope of the planting area (relatively flat slope, medium slope or steep slope).

Sketch Showing Plantings

Is the pond a golf course pond? Yes/No

Does your property line go into the pond? Yes/No

Does the golf course own the edge of the pond? Yes/No

Pond Committee Review Comments:

Approved/Return for Rework Date _____ by _____

Note 1:
