

POA Ponds Committee *'Pond Views'*

June 15, 2020

Demo, Demo, Demo!

Three ponds in St. James were planted within the last week or so. The Ponds Committee refers to these ponds as “Demonstration” or “Showcase” ponds. There are two main purposes: to beautify and stabilize the pond banks of these highly visible community ponds, and to encourage residents to do the same by way of providing examples of what can be done. These ponds are located on (1) Blair Place and Wyndmere, (2) near the Grove Gate entrance, and (3) Bridgewater Drive. Plants installed were Blue Flag Iris, Soft Rush, Arrow Arum, Lizards Tail and Pickerelweed. These are native wetland plants installed at the water’s edge. When you have the chance, drive by and take a look. Both the Blair Place and Grove Gate ponds are new to our lineup.

Ponds Committee installation of native wetland plants on Blair Place

The plants installed were also available for residents to purchase during our recent Pond Buffer Zone Plant Sale. The plant sale was a success! We sold 1891 plants – a 68% increase from last year. If you were among the residents who purchased plants, remember your day and time to pick up your plants is this coming Saturday, June 20 – between 1:30 and 3:30. If for any reason you cannot make that pickup
