What is WGI?

WGI Sport of the Arts is the world's premier organization producing indoor color guard and percussion ensemble competitions. As a non-profit youth organization, WGI serves as the leading governing body of the winter guard and indoor percussion activities. It is called Sport of the Arts because it brings music to life through performance in a competitive format. Each year, the activity continues to evolve and grow as it reaches and enhances the lives of more than 35,000 participants around the country.

Please take some time and go to WGI's website.

Where do we compete?

Our indoor unit competes in a circuit, similar to a league in sports. While each circuit makes its own rules and has its own judges, they usually conform to those rules set by Winter Guard International (WGI). The circuit in which we participate is the Mississippi Indoor Association (MIA). MIA holds many competitions or "events" across the state of Mississippi. At the end of each season, MIA holds a championship, which will be the conclusion of our competitive season.

For more information about the Mississippi Indoor Association, please visit their website.

Who can participate?

The Hernando Indoor Percussion Program is open to all Hernando percussion students in 7th and 8th grade who are members in good standing of the band. Placement priority will go to 8th grade percussionists. We will fill additional spots with 7th grade percussionists as needed based on audition. Take note: all students must consider their current school band functions a **PRIORITY**. **This includes attendance at band rehearsals and performances in order to attend indoor practices and events.**

*****All Band Fees Must Be Paid Up to Date*****

*****A minimum GPA of 2.0 is required to participate*****

Attendance Policies

Attendance at **ALL** rehearsals and performances is **MANDATORY** and is very important to every member of the group. Indoor Percussion is a co-curricular activity. Please understand that an absence from this activity has a direct effect on the **ENTIRE TEAM**.

Emergency Absences – These will be granted on a case-by-case basis (i.e. death in the family, personal illness etc.). In this case, please notify Mr. Harris or Mr. Quinnely **IMMEDIATELY** via email or phone.

Tardiness – Students are expected to be ready to rehearse at the assigned rehearsal time. Tardiness **WILL NOT BE TOLERATED**. We would like for your students to prepare for the real world, in which they will be asked to arrive for their job at least 10-15 min before their work begins.

ALL Rehearsals and Performances are MANDATORY – Any student who misses rehearsal, especially during the week of a performance, may or may not be allowed to perform on the upcoming weekend's performance. The student will still be **required to attend** the performance in full uniform. In the event of an **EMERGENCY**, if students need to miss rehearsal to accommodate a conflict, the directors must be notified **IMMEDIATELY**. **Due to the effect of a member missing a competition, this action could result in dismissal from the ensemble.** Every member's role in the ensemble is crucial to our success. Unlike a sports team where substitutes are available, all of our players start all of the time. We cannot rehearse or perform successfully to the ensemble's full potential without every member present. Should attendance become an issue, the staff reserves the right to remove you from the program.

Audition Process

Auditions for HIP2 will take place during the students' regular band class times during the week of November 18. Placement decisions will be made by the directors and other members of the percussion staff. Placement priority will be given to 8th grade percussionists, and remaining spots will be filled with 7th grade percussionists who audition for available positions. It is impossible for everyone who auditions to be placed on their first choice of instrument. Students are encouraged to trust the decisions of the percussion staff.

Practice Times

Each week, we will rehearse on Monday, Tuesday, and Thursday from 3:15-4:15 unless otherwise noted on the calendar. We will also rehearse on a few Saturdays throughout the season. There might be additional rehearsal time required during the season. A full calendar can be found with this packet as well as online at hernandobands.com. Additional rehearsals will be announced at least one week in advance. Students will be required to move equipment before and after each rehearsal.

Behavior and Attitude

As previously stated, in order for the ensemble to be successful, all members must be present for all rehearsals and events. Therefore, members of the program must avoid behavior and attitude issues in their classes that might affect their ability to participate. In addition, negative attitudes and inappropriate behaviors during indoor percussion rehearsals and events will negatively affect the success of the entire ensemble. Should behavior and attitude become an issue in any class, rehearsal, or at any event, the staff reserves the right to remove the student from the program.

Competition Schedule

Saturday, February 1 – Olive Branch High School

Saturday, February 22 – Collierville High School

Friday, March 28 – Friends and Family Night at Hernando Middle

Saturday, March 29 – MIA State Championships in Oxford, MS

Financial Obligation

The cost of participating in this year's Indoor Percussion group is \$450. These funds go to pay for many things for your student, i.e. costumes, percussion equipment, competition fees, travel expenses, and other materials. We strive to keep the fees as low as possible to allow as many students as possible to participate. Any new members are also required to purchase a jacket, and old members may purchase a new one if necessary. The cost of the jacket is \$50 in addition to the regular membership dues.

The price listed above is the total cost for the season. No other fees will be asked of the students other than a few meals on trips. Payment will be due all at once or on the payment schedule listed below. We are totally self-funded by member dues, so it is extremely important that all fees are paid on time. We will also be offering a calendar-style fundraiser to help students raise money to pay for their fees.

Friday, December 6th – \$150

Friday, January 10th – \$150

Friday, February 7th – \$150

Any student who might have difficulty paying these fees on time should contact Mr. Harris or Mr. Quinnelly immediately.
