Thank you for supporting our Jr. Livestock youth. Please keep in mind that NO animals can be removed from the Fairgrounds until 10 p.m. on Saturday, August 14. If they are not picked up Saturday night, animals not going to the packer will need to be picked up between 8-9 a.m. on Sunday, August 15. Buyers must notify Auction Supervisors (Rick and Cendra Ipsen) BEFORE loading animals.

All sales arrangements (including processor selection, arrangements for transportation of animal, flooring, etc.) are final one hour after close of auction. NO EXCEPTIONS.

INFORMATION

At the beginning of the sale, all attendees will be given a list of animals along with their weights and order for the sale. Any individual may bid and purchase an animal subject to the terms and conditions. Unless otherwise requested by the purchaser, the animals will be consigned to slaughter immediately after the sale. But in either case, you have to pay for the animal at the sale and tell the clerk where you would like to have your animal processed. Also, please be aware that you may join your friends and neighbors to purchase any animal.

Buying jointly is especially appropriate for larger purchases such as beef. If you are unable to attend the sale personally, you may contact the auction supervisor or one of the buyers listed in this brochure to purchase on your behalf.

WAYS TO USE YOUR PURCHASE

FAMILY	Stock your freezer – buy with a friend
BUSINESS	Barbecue, picnic or party
ORGANIZATION	Charitable donation Group function or resale to the floor buyer

BIDDING

Animals are sold by the pound. Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

TERMS

Terms of the sale are cash, check or draft to the clerk at the sale. Arrangements for payments other than those just stated must be made with the sale committee prior to the sale.

PURCHASER'S RISK

Each sale shall become the risk of the purchaser as soon as sold, but it shall be the obligation of the seller and the sale committee to see that those animals designated be delivered to the slaughtering facility. Buyers are responsible for consigning carcasses to the meat processor of their choice the night of the sale. Please contact your specified processor as soon as possible after the auction with cutting and wrapping instructions.

RIGHTS AND OBLIGATIONS

The above terms and conditions of the sale shall constitute a contract between buyers and sellers of each animal and it shall be binding upon both. All persons who attend the sale do so at their own risk. The owners or any person connected with the management of the sale assume no liability, legal or otherwise, for any accidents that may occur.

ADVERTISING WRITE-OFFS

Most businesses can deduct the amount they have paid beyond the market price as advertising expense when doing taxes. The sale committee lists buyer names in advertising before and after each year's sale.

RE-SALES

Buyers may decide to use the animal for their own family or business, or they may choose to have the animal resold to the floor buyer. If the choice is made to re-sale, the buyer pays only the difference between their final dollar bid for the animal and the guaranteed packer bid (market price). The guaranteed packer bid will be announced at the sale.
