## **PORTFOLIO**

### **2025**

As the owner and operator of Greener Grass Landscaping and Irrigation LLC, based out of Forney, TX, and a member of the local community since childhood, I am committed to helping you, my fellow neighbor, in navigate all of your lawn care, irrigation and landscaping needs with ease and confidence.

My goal is to provide exceptional service to each and every customer I work with. With nearly 30 years of experience in the industry and a deep understanding and college education of the industry, I am well-equipped to guide you through every step of the process and help you achieve your lawn care and landscape goals.

As your local professional, I believe in building lasting relationships with my clients based on trust, honesty, and mutual respect. I am passionate about solving every goal you have and welcome the opportunity to earn your future business in our service areas of expertise.

Whether you're looking to manage your irrigation system, install a new one, add curb appeal with a stone bed-border, ease continued wet areas with drainage solutions, add a flagstone pathway to connect your front yard to your backyard, or refresh your existing beds with rock or mulch, I have the experience and team to turn your vision into reality.

I look forward to hearing from you on how I can help you further.

A photograph of a backyard during the process of installing sod. A large tree stands in the center-left, casting a shadow over a portion of the lawn. The lawn is covered with rectangular sod pieces, some of which are still in their original packaging, showing a light-colored, fibrous material. The background features a wooden fence and a house with a grey roof. The text "SOD INSTALL" is overlaid in a black box on the right side of the image.
