# BEAUTY MADE EASY WITH STACKED STONE

Molded from quarried stone, our stone columns are as authentic as it gets. But unlike individual stones, our modular system is much easier to install. Simply set the square-shaped sections on top of each other around a 5" x 5" PVC post to the desired height.

## Easiest-to-install stone column system

- No mortar or masonry skills required
- No wall ties or poured footing required
- Squares can be stacked to custom heights (up to 6' 6" maximum or 13 sections high)
- Lightweight sections (about 30 lbs.) are easy to handle
- Available in a natural warm Shenandoah color blend
- Ideal for a variety of applications: free-standing solid columns, pedestals, light posts, fence posts, sign posts and more

Privacy Column

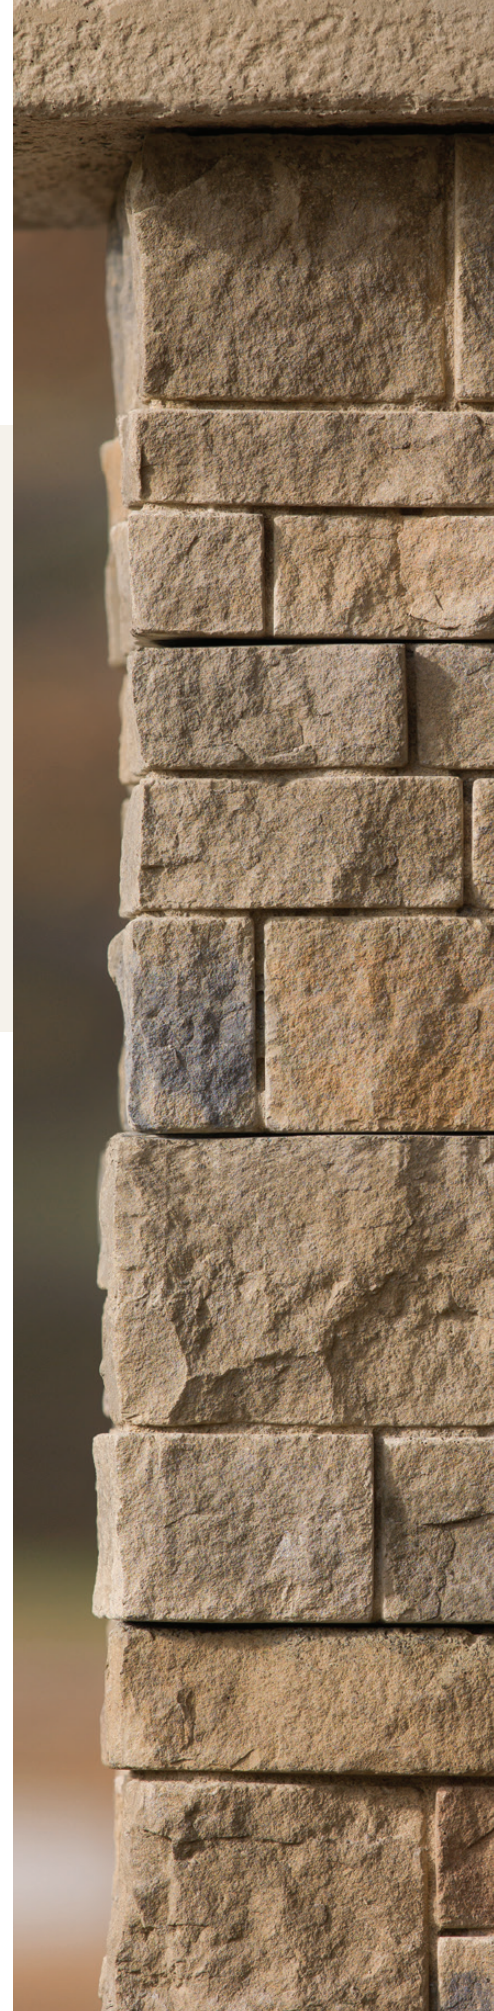

Solid Column

## PRIVACY COLUMN COLLECTION FROM PLY GEM STONE

Designed to receive Ply Gem solid privacy fences in a variety of colors. Privacy column construction allows for the installation of a routed post to help lock the fence securely in place.

## SOLID COLUMN COLLECTION FROM PLY GEM STONE

The Solid Column Collection is designed for stand-alone pillars or fence posts with Ply Gem ranch rail and other fencing materials. Works best with Ply Gem ranch rail configurations.

# GET MORE WITH PLY GEM FENCE AND RAILING

As industry leaders, we go the extra mile to consistently deliver beautiful, high-performance products. That's why we utilize the best materials and practices. And because our standards are higher than most, all Ply Gem Fence and Railing products carry our impressive, Limited Lifetime Transferable Warranty.

## NEW PRODUCTS

### New 7/8" Profile

Industry standard sizing allows for the 7/8" profile, with beveled edges (6" x 11 1/4") and three panel grooves, a more distinctive look and enhanced shadow lines. The positive interlocking "tongue and groove" design gives the unit a more solid and secure fit — minimizing separation over time.

### ★ New Almond Color

Almond is available in all our popular fencing styles and new decorative rail.
