February President's Message

I would like to start off by thanking everyone for the help and words of encouragement as I take on the role of president of the club.

We are looking forward to the "Wet and Wild " 3-D Shoot next month. Ken and Brad are working hard to ensure that it will be a great shoot, Don has been great helping these guys with questions and direction on setting up the event. Fran and the team in concessions are as always, working to ensure that everyone is well fed. Todd is making sure that the range is well groomed. John Smith is working tirelessly getting the word out to the public of upcoming events. Carrie has got the website up and is updating the club Facebook page . Colette has been doing an amazing job using her wordsmithing skills to ensure that newsletters and club information is clear and concise.

Again I can't thank everyone enough for all the help.

Remember if you're a Wapiti club member the club is yours. Give me ideas on what you want to see happen and let's work together to make this the best archery year ever.
