SAGINAW DACHSHUNDS, LIMITED WARRANTY & HEALTH GUARANTEE:

This limited warranty covers only the puppy described in this agreement. To activate the guarantee, the buyer must have the puppy examined by a licensed Veterinarian within 3 business days from time of pick up. If a veterinarian finds the puppy to be unsuitable, return the puppy immediately. Changing your mind, family dispute, landlord problems does not warrant a refund. If the puppy should die within 10 days, all registration papers and a letter from a licensed veterinarian stating the cause of death must be given to the seller before a replacement puppy of equal value will be considered. Death due to illness or accidental death is not covered. The puppy is guaranteed for one year from the puppy's date of birth for any life-threatening congenital or hereditary disorders. **NO CASH WILL BE REFUNDED.** Seller is NOT responsible for any Veterinarian charges, shipping charges, or delivery charges. Seller's liability is limited to the price paid for the puppy, no other charges or fees. Any shipping expenses for returning the new puppy would be at the buyer's expense. All appropriate shots for the puppy's age have been given, and a record of this vaccination history is supplied when you pick up your puppy. However, puppies are not fully immune until the vaccination series is complete. These diseases can be spread via contact, air, hands, and clothing. Please take precautions. The purchaser further understands that Parvo and other infectious diseases could be present at the veterinary clinic and other places buyer takes said puppy. Saginaw Dachshunds will not be held liable if any infectious diseases are found in the puppy after delivery to the purchaser of the puppy. A Health Guarantee from our veterinarian will be issued along with the puppy's shot/worming records.
