

2023 DATA

PANTRY

In 2023 there were 273 visits with 568 people fed on CVMA pantry days

We averaged 10 CVMA volunteers each week with a total of 214.5 hours served in 2023

This year we advertised that all Veterans are welcome to visit the CFC pantry on any day they are open so that needs throughout the month can be comfortably met.

51% of veteran families served on CVMA days only come to the CFC pantry where there are CVMA members and special additions just for our Veteran visitors

- We wanted to create a pantry that was reliable, predictable and trusted – that high number says we are trusted with their loyalty

We were honored to accept over 1,500 pounds in donations from many individual families and these groups that partner with us to support Veterans: Gentry Boles Blackberry Farm, Lost VETS Rescue, Mary Blount NSDAR Chapter, Nauti K's Riverside Bar and Grill, Rocky TOP Bourbon Charity, Seasons Restaurant and Victory Baptist Church
