

Directions

Friday food distribution! 9:00 to 10:00

We moved our food distribution site only to the VESD Family Resource Center in Victorville. Directions will take you to Nisqualli, but there isn't an entrance from that direction. Get on Mariposa heading towards Hesperia, go through the Desert Loop light, and then look for the road immediately on the right called Locust. Turn into this road and follow it to the first entrance, where you will see the Rock'n Our Disabilities canopy or trailer.
