

Application for Admission

How To Apply to Stepping Stones of Atlanta

1. Please download the Application and Orientation Guide and review it carefully.
2. If you would like to apply for admission to Stepping Stones, please call :

Chris Zollman-678-668-3426

Program Requirements

At Stepping Stones, the goal is **permanent recovery** from drugs & alcohol. In order to achieve that goal, we ensure a safe, structured environment where all residents have the opportunity to succeed.

Minimum Requirements for Admission to Stepping Stones of Atlanta:

1. Commitment to stay at least 6 months. You may stay longer.
2. Complete abstinence from all mind & mood altering substances. This includes illegal drugs, alcohol, prescription drugs (certain medical exceptions can be made), or any other substance used to alter your mind or mood. We do drug & alcohol screening several times a month, and all screens are lab verified for accuracy and tampering. ***We do not accept residents that are taking Vyvanse, Suboxone or Subutex, and we screen for those as well.*** We ensure that you will have a safe and sober place to recover, and we discharge immediately with zero tolerance for a failed drug or alcohol screen.
3. You must be willing to get a "sponsor", which is a person who will guide you through the 12 Steps of recovery. We expect everyone to have a sponsor within 1 week. One-on-one work with a sponsor is the most important part of your recovery and you must meet with your sponsor once a week.
4. Willingness to learn how to stay clean & sober through the 12 Steps of Recovery. Active participation in all groups, step-work with your sponsor, and attendance of outside 12 Step meetings is mandatory.
5. Complete willingness to follow all rules and directions. Stepping Stones is a structured living environment that provides all residents with the opportunity to live life to the fullest, but learn to live with structure and accountability.

Stepping Stones of Atlanta Recovery Residences

www.SteppingStonesofAtl.com

6. You must either have a job, be actively seeking employment (this will be verified), be attending an outpatient program, or be attending school full time during the day (you may also have to work part time). Part of the structure of recovery is learning to fill our day with worthwhile and productive activities.

7. Willingness to focus on yourself. We have a strict “No Fraternization” policy for a minimum of 60 days.

This means no dating, hanging out, or spending time with members of the opposite sex. If you are already in a relationship, you must be willing to put it on hold and focus on your recovery for a minimum of 60 days.

8. Willingness to attend mandatory meetings. There are three mandatory meetings that are at specific times and days of the week. Additionally, you are required to attend a minimum of two additional 12 Step meetings of your choice. There may also be other mandatory meeting, retreats, and functions throughout the year.

FEE FOR SERVICE AGREEMENT

Stepping Stones is based on community living and the 12-step program for individuals seeking recovery from alcohol and drug addiction. The undersigned acknowledges, accepts and understands that they are living in an alcohol and drug free shared recovery residence. The undersigned also acknowledges that residency is in the capacity of a lodger sharing a housing unit and not as a tenant with rights or possession of space exclusively.

This is a contract between _____

Date: _____

This does not bind the resident or Stepping Stones to any specific length of stay at Stepping ~~Stones~~, and services may be terminated by either party at any time. However, all program fees must be paid in advance, and **no refunds will be given for any reason.**

Please check one of the boxes below:

☐ **Paying Monthly:** The client agrees to pay a \$200 NON REFUNDABLE ADMISSION FEE, and a monthly fee of **\$1100 per month**, for residential recovery services. Client agrees to pay fees for service on a monthly basis due the 1st day of each month. ALL PAID FEES ARE NON REFUNDABLE. There is a late fee of \$20 if fees are not received by 8:00pm on the 1st day of the month.

☐ **Paying Weekly:** The client agrees to pay a \$200 NON REFUNDABLE ADMISSION FEE, and a weekly fee of **\$275 per week**, for residential recovery services provided by Stepping Stones of Atlanta. Client agrees to pay fees for service on a weekly basis due each Friday, for the FOLLOWING week. ALL PAID FEES ARE NON REFUNDABLE. There is a late fee of \$20 if fees are not received by 8:00pm on Friday for the following week.

FEE FOR SERVICE AGREEMENT (continued)

The undersigned acknowledges that management reserves the right to terminate this agreement and residents are required to provide a thirty-day written notice of intent to leave the recovery residence. The undersigned also acknowledges that in the event of discharge from Stepping Stones of Atlanta, the resident shall immediately vacate the premises, turn over possession of any and all keys, security cards, parking passes, etc. and shall remove all personal property. The removal of personal property shall be arranged and supervised by assigned staff, and any property not removed within 72 hours will be disposed of in any manner that staff deems necessary.

CLIENT CONFIDENTIALITY AGREEMENT

The confidentiality of recovering persons living in a Supportive Living Environment is protected under **Federal Law 42 CFR**, which protects them from anyone outside of the program having knowledge of their participation in the program without the client's specific permission. No information regarding a client of Stepping Stones may be release to anyone outside of the program unless:

1. The client has signed a consent form to that person/agency;
2. A court order is issued to Stepping Stones regarding information on the client;
3. Medical personnel require the information in a medical emergency, or;
4. The client threatens to harm him/herself or someone else.

Federal Law does not protect a client if they commit a crime against anyone at Stepping Stones of Atlanta. Also, Federal Law does not restrict sharing information regarding reported child abuse/neglect to appropriate State and local authorities.

I agree to inform staff if any of my peers reveal any information about themselves or another client that may be a cause for concern.

URINE ALCOHOL TESTING AND INCIDENTAL ALCOHOL EXPOSURE CONTRACT

Recent advances in the science of alcohol detection in urine have greatly increased the ability to detect even trace amounts of alcohol consumption. In addition, these tests are capable of detecting alcohol ingestion for significantly longer periods of time after a drinking episode. Because these tests are sensitive, in rare circumstances, exposure to non-beverage alcohol sources can result in detectable levels of alcohol.

It is **YOUR** responsibility to limit your exposure to the products and substances detailed below that contain ethyl alcohol. It is **YOUR** responsibility to read product labels, to know what is contained in the products you use and consume and to stop and inspect these products **BEFORE** you use them. Use of the products detailed below in violation of this contract will **NOT** be allowed as an excuse for a positive test result. ***When in doubt, don't use, consume or apply.***

Cough syrups and other liquid medications: Stepping Stones prohibits the use of alcohol or Dextromethorphan (SDM) containing cough/cold syrups, such as Nyquil®. Other cough syrup brands and numerous other liquid medications, rely upon ethyl alcohol as a solvent). All prescription and over-the-counter medications should be reviewed with your house manager before use. Information on the composition of prescription medications should be available upon request from your pharmacist. Non-alcohol containing cough and cold remedies are readily available at most pharmacies and major retail stores.

Non-Alcoholic Beer and Wine: Although legally considered non-alcoholic, NA beers (e.g. O'Douls®, Sharps®) do contain a residual amount of alcohol that may result in a positive test result for alcohol, if consumed.

Food and Other Ingestible Products: There are numerous other consumable products that contain ethyl alcohol that could result in a positive test for alcohol. Flavoring extracts, such as vanilla or almond extract, and liquid herbal extracts (such as Ginkgo Biloba), could result in a positive screen for alcohol or its breakdown products. Communion wine, food cooked with wine, and flambé dishes (alcohol poured over a food and ignited such as cherries jubilee, baked Alaska) must be avoided. Read carefully the labels on any liquid herbal or homeopathic remedy and do not ingest without approval from your house manager.

Mouthwash and Breath Strips: Most mouthwashes (Listermint®, Cepacol®, etc.) and other breath cleansing products contain ethyl alcohol. The use of mouthwashes containing ethyl alcohol can produce a positive test result. Use of ethyl alcohol-containing mouthwashes and breath strips by Stepping Stones participants is not permitted. Non-alcohol mouthwashes are readily available and are an acceptable alternative. If you have questions about a particular product, bring it in to discuss with your house manager.

(Continued on next page)

Stepping Stones of Atlanta Recovery Residences

www.SteppingStonesofAtl.com

URINE ALCOHOL TESTING AND INCIDENTAL ALCOHOL EXPOSURE **CONTRACT (Continued)**

Hand sanitizers: Hand sanitizers (e.g. Purell®, Germex®, etc.) and other antiseptic gels and foams used to disinfect hands contain up to 70% ethyl alcohol. Excessive, unnecessary or repeated use of these products could result in a positive urine test. Hand washing with soap and water are just as effective for killing germs.

Hygiene Products: Aftershaves and colognes, hair sprays and mousse, astringents, insecticides (bug sprays such as Off®) and some body washes contain ethyl alcohol. While it is unlikely that limited use of these products would result in a positive test for alcohol (or its breakdown products) excessive, unnecessary or repeated use of these products could affect test results. Participants must use such products sparingly to avoid reaching detection levels.

Remember! When in doubt, don't use, consume or apply.

I HAVE READ AND UNDERSTAND MY RESPONSIBILITIES. I understand the terms of this contract and the reason I am being asked to sign it. I agree to abide by this contract. In the event I breach this contract, I will be choosing to leave the program and accept any legal consequences should I be mandated to complete the program.
