Special Recognition and Deep Appreciation

May 1, 2009. Friday evening, May 1, under the guidance of their Spiritual Advisor, Deacon George Sayegh and Advisor, Earma Haddadin, St. Anne's Young Adults (SAYA) of St. Anne's Greek Melkite Catholic Church in North Hollywood, proudly presented Arabian Nights, an evening of Middle Eastern music and cuisine. People enjoyed dancing to the live entertainment as well as watching the belly dancer during dinner.

During this SAYA celebration, the Jordanian American Association took the opportunity to honor Earma Haddadin with a plaque in recognition of her inspiration, devotion and service to the organization and the Jordanian-American community. She served as President of the organization in 2004 and served on the board for several years. Earma has the distinction of not only being the youngest to serve as President of the organization but was also the first female to be elected into this office. The organization benefited from her hard work and her accomplishments, most especially during her term as President.

Congratulations Earma!
