Today we'd like to introduce you to Brittany Martinez.

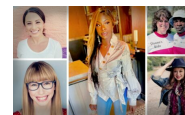

**Hi Brittany, we'd love for you to start by introducing yourself**

I'm 22 years old with 2 kids (2&1) & married to my high school sweetheart. My husband joined the military (Navy) in Feb. 2020. In June 2020, we moved to Georgia 6 weeks after giving birth to my youngest child, Mila. Before kids, my occupation was a hairstylist & still is. With COVID & daycare fees, we really didn't have the funds for daycare. So doing hair from home was my "Job." It's not impossible with doing hair from home with 2 babies, but it is difficult! So, one day I'm scrolling through TikTok & found a white bounce house business. So, I said, "Why not get into this type of business?" It'll allow me to bring the kids along and/or afford child care. business after Covid, while living on a military base, I had to go through tons of hoops. Finally, about 3 months later, I jumped through those hoops & JWLR will finally be able to operate! I have so many plans for my business in 2022 that I can't wait to accomplish & share with the world!

**We all face challenges, but looking back would you describe it as a relatively smooth road?**

As I mentioned above, it definitely was not a smooth process for me, but those weren't the only challenges I was facing... I thank God for leading me on a different path to making my business come true. He allowed me to venture out & find an amazing photographer (Elle Hines Photography), who brought amazing local businesses & models to help with my branding shoot. Without Lacey (Photographer), I wouldn't have those amazing photos you see on my Instagram or website. A HUGE thank you to everyone that helped, volunteered their services & time! I will cherish those moments for a lifetime.

I thank God for finding a way to make my business come true,

**Thanks – so what else should our readers know about Jump With Luxury Rentals?**
