LEADERSHIP SKILLS

Whether you are responsible for developing your company, others, or yourself, the more effective you are as a leader, the further you will go. Our leadership development training is based on John Maxwell's proven leadership practices and lessons – the same skills, principles and values that John has used to train and develop leaders of nations as well as Fortune 500 corporate entities for nearly fifty years. I am happy to provide you and/or your team with the following leadership development programs.

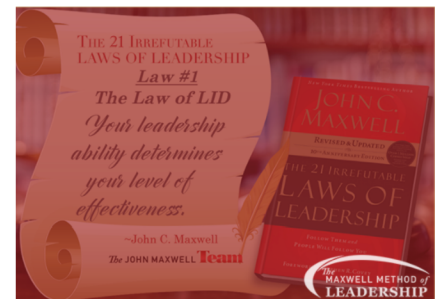

The 21 Irrefutable Laws of Leadership Lunch & Learn

The Lunch & Learn is an opportunity to come around the table with a group of leaders and potential leaders to study leadership and growth principles. The 21 Irrefutable Laws of Leadership Lunch & Learn will focus on three of the twenty-one leadership lessons from the corresponding book:

- The Law of the Lid
- The Law of Influence
- The Law of Big Mo

When you participate in this group learning experience, you will watch and listen to John Maxwell teach on the three laws, as Mark Cole, CEO of the John Maxwell Company, gives practical application lessons from each law. I will then facilitate a group discussion and you will be able to share your key takeaways from these lessons. This promises to be the most insightful, productive and engaging lunch break you have ever had!

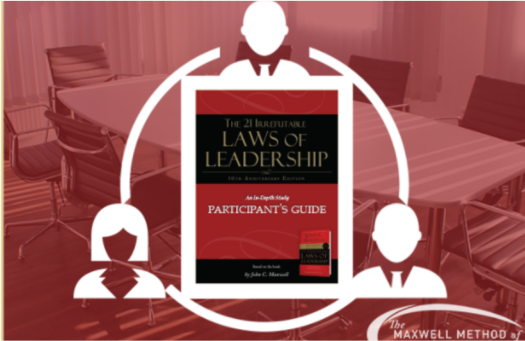

Lunch & Learn sessions typically run 45 minutes-one hour. You may book a private session for you and your team, or you may contact me to inquire about joining one of my open sessions.

"Everything rises and falls on LEADERSHIP."
– John C. Maxwell
