2. The lot owners shall, on behalf of themselves, their heirs, personal representatives, successors and assigns, construct, maintain in good and safe condition, and repair the driveways serving their respective lots so as to not interfere with the street right-of-ways.
3. If a lot owner, or such lot owner's agent, family member, guest, business or professional or personal invitee causes damages to the said street right-of-way, other than ordinary wear and tear, such lot owner shall be required to repair such damage and bear the costs thereof exclusively.

Any unpaid yearly assessment or pro-rata share unpaid following (60) days of the billing hereof, and following a thirty (30) day notice given after the said sixty (60) days, a certificate of non-payment may be recorded with the land records of the appropriate jurisdiction and shall become a lien against the said lot for the amount stated in the certificate together with interest at the legal rate, costs and reasonable attorney's fees. Upon the recordation, the said lien shall be prior to any deeds of trust or other recordings subsequent to the recordation of the said certificate. Such lien may be enforced by the committee, the lot owners who have paid their assessment, or by the person or business providing the repair, maintenance and/or improvements to the street right-of-ways.

9. The association shall in due course be the appointee of the developer or his assigns, and shall assume their duties.
