- C. Discussion on Hazardous waste day, about what items and quantities should be accepted, Jamie at MPVCD has been the major force behind soliciting donations to help with the cost of providing the service of a hazardous waste day and promoting the day with flyer design and radio guest spots on the radio. We were able to obtain \$1000 from the town of Fort Laramie we just need to invoice them for their budget requirements. The Board extended their appreciation to Gary for helping make the day possible. Ask Jamie for list of donating companies and towns for community clean day. Goshen IT plans to bring a large quantity of electronics to the Community clean day.
