SOLAR PUMP COST-SHARE AGREEMENT

IT IS MUTUALLY AGREED AND UNDERSTOOD that the **Lingle Fort Laramie Conservation District** will provide cost-share reimbursement of \$1000.00 towards a solar well pump and any expenditures above this amount are the sole responsibility of the patron.

CONSTITUENTS MUST BE LOCATED WITHIN THE LFLCD BOUNDARIES.

The patron agrees to install a solar pump on grazing lands or pasture at their own expense and discretion. It is the patron's responsibility to notify the LFLCD when the pump is operational is ready for verification for the cost-share payment. The patron should make every provision to protect all the panels from any livestock. The patron understands this program may not be used with any other government program being utilized or offered and is limited to one per family operation.

The LFLCD will award the patron the specified cost-share towards the expense of installing a solar well pump on grazing lands or pasture after it is operational and verified by a representative of the LFLCD Board of Supervisors and/or an agent of the Natural Resources Conservation Service (NRCS).
