PROFESSIONAL SERVICE, PERSONALISED CARE

Lingfield Equine Vets provide excellence in ambulatory and inpatient care to our diverse clientele. Our experienced veterinary team is comprised of talented and passionate individuals with specialist interests ranging from orthopaedics, to internal medicine and reproductive work with many of our clinicians holding the RCVS status of 'advanced practitioner.'

We believe in the importance of providing both professional service and personalised care. We understand that it is important for our clients to develop a relationship with their vets, allowing us to better understand you and your horses and offer you the best service. For this reason we endeavour to book all routine visits with your preferred / usual vet.

Our clinic, in Felbridge, is well equipped for a variety of inpatient and outpatient procedures. We offer services ranging from elective surgeries, poor performance and lameness assessments to intensive care and rehabilitation. Our fantastic nursing team provide the highest standard of care, treating your horse as one of their own.

Lingfield Equine Vets covers a large portion of the South East. Please don't hesitate to contact us on 01342 300008, if you would like to discuss your horse's veterinary needs with us

HORSE TRIALS HEALTH & SAFETY POLICY

General

The Organiser of this horse trial, South Eastern Equestrian Services Limited, has the overall responsibility for the health, safety and welfare. A Safety Advisor, has been appointed also named elsewhere in the programme, to advise on all matters related to health, safety and welfare and to ensure that all the requirements of legislation are met.

Officials

The Organisers, Officials and Judges and Stewards have the responsibility for the implementation of the Safety Policy throughout this event and must ensure the Health and Safety considerations are always given Priority.

Spectators & Competitors

All reasonable and practicable steps are taken to ensure your health, safety and welfare whilst attending the event. You are requested to take note of the following

- a) You are advised to download a programme which contains a map showing the different parts of the event site(including suitable viewing locations)
- b) The programme also clearly shows the Information Point, Toilets and first aid points
- c) Please take particular note of any fencing, stringing, whistle blasts from officials, public address announcements and signage displayed.
- d) All drivers and vehicles must adhere to the highway code at the event

Contractors

Contractors working at the Horse Trials are required to observe best work practices, comply with all legislations relevant to the business and take all reasonable and practical steps to safeguard their employees and all those attending the event.

Exhibitors

All exhibitors are responsible for the safety of their own stands and the risks that they may pose to other persons within the allocated space or immediate surrounding area. This is subject to monitoring by the Safety Advisor.

Emergencies

The emergency services at the event include doctors, paramedics, ambulances, Vets and fence repair personnel. They have access to all parts of the site and can be quickly contacted through any steward, judge or official – most quickly through those with radios.

Accidents involving horses and competitors are well catered for and the appropriate officials are ready to report to those as they occur and call for the appropriate emergency services.

Emergencies not connected with the competition (e.g. in the catering pavilion/tent, trade stand area) will be dealt with by the emergency service on site, but outside emergency services (e.g. fire brigade) may be needed too. Telephones for such emergency calls are located at:- Secretary's Office and Cross Country Control.

btf

Tomorrow's farming needs today's thinking.

At **BTF Land & Property**, we understand the land — and the people who work it.

With over 30 years of trusted expertise across Kent, we support farmers and landowners with practical, forward-thinking advice. From **Agricultural & Viticultural** consultancy to **planning, farm sales, environmental schemes, renewables, and estate management**. Whether you're protecting your legacy or planning ahead, **we're here to help you grow.**
