CONANICUT CAPITAL LLC

INVESTMENT STRATEGY

Given its partnership backing and capital base, Conanicut Capital is able to be a patient and flexible financial partner to its portfolio companies.

Conanicut Capital’s Investment Strategy is predicated on four major “legs of the stool” which include:

- **Sector:** focused on the Business Services Sector
- **Size:** focused on companies between \$2 and \$15 million of EBITDA with minimum EBITDA margins of 10%
- **Capital:** flexible, patient capital base
- **Value-Add/Partnership:** target to be the first institutional investor; leverage network of Operating Executives; work collaboratively with management to develop post-close Strategic Plan; resolve any roadblocks to growth; build sustainable platform for the long-term

INVESTMENT CHARACTERISTICS

Conanicut Capital’s mission is to source, acquire, and manage lower-middle market private equity investments, targeting opportunities for control and growth equity positions in companies with \$2 to \$15 million of EBITDA primarily located in the United States.

Preferred investment criteria for potential targets include the following:

- Business services sub-sectors that demonstrate a specialized, necessary outsourced service with identified areas of growth
- Opportunity to partner with high-quality business owners and management teams
- Opportunity to leverage network of Operating Executives in relevant sub-sectors
- Companies that demonstrate predictable earnings, high levels of recurring revenue and free cash flow conversion, and defensible market positions
- Companies that appreciate the longer-term approach to partnership and growth

Within the Business Services Sector, select sub-sectors of interest include, among others:

- HCM
 - Outsourced Services
 - BPO
 - Environmental & Engineering Services
-
