Press Release

8/7/2024

On behalf of the Union Fire Department Commissioners, Chiefs, staff, and volunteers we would like to extend our sincerest, "Thank You" and gratitude for your overwhelming support passing the Property Tax Levy for Fire Protection and Emergency Medical Services. Your participation in the recent election was vital, and we appreciate you taking the time to have your opinion heard.

To us, this vote of support for our funding reflects your appreciation of our Fire District and the services we provide. We shall continue to be good stewards of both your funds and your trust, and will continue to provide you with efficient emergency services, while strategically managing the tax dollars our department operates with. We are so proud to be serving the great citizens of Union.

Again, thank you,

Heather Fredrickson
