

Deck and Check the Halls with Holiday Safety

1. Keep your tree hydrated! Check the tree stand water every other day. Keep your tree away from fire places, radiators, and other heat sources.
2. Turn off tree lights and decorations when not in use.
3. Beware of overloaded electrical outlets and extension cords, look for fraying cords and bare spots. All which are major fire hazards.
4. Keep holiday plants away from pets as many are poisonous and will make them sick.
5. Don't leave burning candles unattended, or by small children and pets.
6. Check smoke alarms to ensure they are working.
7. Stay in the kitchen when you are frying, boiling, grilling or broiling food to prevent fire.
8. When preparing a meal, wash everything that touches raw meat and reheat leftovers to at least 165 degrees.
9. Keep a cell phone and portable charger with you at all times while traveling in case of an emergency.

9. Keep extra cold weather gear, food, water, warm clothing, a flashlight, an ice scraper, blankets and medications in your vehicle in case of an emergency.
10. If you cannot be home have packages delivered to your work or a neighbor.
11. Keep watch for suspicious people around mailboxes and make sure to check mail daily.
12. Be careful posting on social media. Your friends may be trustworthy, but others may be scouting posts.
13. Make it look like someone is home even when your gone. Put lights on electronic timers.
14. Practice your home fire escape plan so everyone knows what to do when smoke and/or carbon monoxide alarms sound in an emergency. Fire moves faster than you!
15. If drinking alcohol during the holidays please drink responsibly in your home and away. Always have a designated sober driver or don't drive.

Always call 911 in an emergency.

We are ready and proud to serve

the citizens of Union!

May your holidays be merry and safe!

MERRY CHRISTMAS
&
HAPPY NEW YEAR!

*From all of us at
Mason County Fire District No. 6
Wishing you a safe and fun filled
holiday season!*

Thank You... Thank you...

As we find ourselves in the thick of the 2021 holiday season. Please allow me to express warm holiday wishes to the citizens of Union. Unfortunately, we continue to live with and during, an unprecedented pandemic. The members of Mason County Fire District # 6 remain focused on providing the community of Union with high quality emergency services. With the passage of the Fire Levy Lid Lift the fire district is hard at work preparing to fortify our response system with more fulltime firefighters. Every member of our great fire district understands the importance of spending tax-payer dollars in a prudent/wise manner. **We thank you for your continued support and pledge to do what we promised every step of the way.** If at any time, you, or someone you know, has a question or concern please feel free to contact myself and I promise you will get the answers or clarifications you deserve. Our mission is uncomplicated "Protect Life & Property". Every thought and idea we have we turn into strategy, and then from strategy becomes an action, and every action we take is rooted in our mission to "Protect Life and Property". With that focus, we will continue our work into 2022 with the undying resolve to deliver high quality emergency services to our great community. Thank you for your time and once again happy holidays!

Yours in fire and life safety,

Clint Volk
