COMMUNITY EMERGENCY PREPAREDNESS

1. It is a fact, that in the event of a major emergency, local emergency services will be overwhelmed almost immediately. We are excited to introduce the "Map Your Neighborhood" program. *(MYN)

2. It is the goal of this program to bring our neighborhood closer together through regular meetings; while at the same time making you and your neighbors more prepared for a major emergency/disaster.

3. WE URGE ALL CITIZENS OF UNION TO ATTEND OUR NEXT MEETING ON TUESDAY, MAY 26th TO LEARN ABOUT:

- How does the "MYN" program work and why it is important
- What are the 9-Steps to do immediately following a disaster
- How to join the "MYN" program and network with fellow UNION citizens who want to become better prepared for emergencies/disasters

FOR MORE INFORMATION PLEASE VISIT **MCFD6.COM**

The reality is –
as a neighborhood we
may need to respond to
fire, injuries, and leaking
natural gas during
disaster. This meeting
will help us know how.
Please come.

Meeting Reminder:

“MYN”

Map Your Neighborhood

What is a disaster? Disasters, by definition, are events that overwhelm police, fire, and medical 911 emergency responders.

Why MYN? MYN helps us organize a timely response to disaster when 911 is unavailable. All of us, working together, can reduce the serious consequences of disaster in our neighborhood.

What will we do?

- We will learn a 9-step Neighborhood Response Plan that immediately helps us know what to do – both at home and in the neighborhood – to respond to injuries, leaking natural gas, and assisting people who may be alone and frightened. The process is proven, fun, and easy.
- We will identify the skills and equipment each neighbor has that are useful in an effective and timely disaster response.
- We will map our neighborhood’s natural gas meters and propane tank locations so we can quickly respond to leaking gas and reduce the threat of fire.

BONUS: We will all go home with a neighborhood map, contact list, and skills and equipment inventory.

DATE:

TUESDAY, MAY 26TH

TIME:

3 pm – 5 pm

PLACE:

UNION FIRE HALL

**50 E SEATTLE ST.
UNION, WA 98592**
