Dental/Vision Providers

IFP dental and vision

Dental and vision services for children

Dental and vision services for children ages 18 and under are required under the ACA. They are included in your medical rate. Dental and vision coverage for adults ages 19 and older is optional. It can be added at an extra cost. Adult rates do not vary by age and apply per person on the plan.

Adult dental and vision

Adult dental and vision coverage is optional, and it can be added at an additional cost. If you do not elect to add the optional adult dental and vision coverage, your plan will still include coverage for pediatric dental and vision services.

IFP adult dental and vision rates

IFP adult dental and vision rider	
PPO adult dental and vision rider	\$16.95
HMO adult dental and vision rider	\$10.49

Adult rates do not vary by age and apply per person on the plan. Product is optional coverage for adults ages 19 and older. All family members ages 19 and older at initial enrollment will be included in the adult dental and vision rider. Family members who turn 19 outside of the enrollment period will be added to the rider during the open enrollment period the following year. Adult dental and vision riders are only available with plans purchased directly through Health Net.
