

To my Friends, Families, and Courtiers

First and Foremost, thank you all for attending Coronation 29: "Welcome to Barbieland!" The ISCSM could not be successful without the support of our friends and families, fellow courtiers, and the amazing community around us. Year after year, we continue as an organization to be amazed by the support of our community. To make our mission true, we must have a community in which to do our work, and I thank you from the bottom of my heart for giving us this ground to work on. We would not not be stepping into our 30th year as an organization without you and your support.

Board of Directors Reign 29: I am filled with gratitude to have served on this board with such amazing individuals. I cannot thank you enough for supporting me in my time of need this reign when a couple of tragic sudden losses occurred. I hope you are all proud of the work you have done over this last year. From building new relationships within the community and fostering old ones, to late board meetings and by-law revision calls. Or our monthly shows downtown at the ZACC, to planning and participating in PRIDE events all across the state! The work you have done, brings us to where we stand now. Each and every one of you exemplify selflessness and love for our community and I admire you all for it. Thank you for this opportunity to be your Board President.

Hexx Shadow & Diana Bourgeois: I'm not even sure where to start. Between the two of you, this entire coronation book could be rewritten and barely scrape the surface when it comes to describing the work you both pour into this organization. After many years of discussing it and many board attempts, it is because of you two we were able to finally rewrite the bylaws and get them passed this year. I love and admire you both for your dedication to the community and the ISCSM. And on a more personal note; I personally thank you both for being there for me this year and giving me grace when I couldn't. I am so grateful to have you as my friends in this lifetime.

Mx. Gay Big Sky '23 Eunice Sexx: Thank you for being quite literally the best VP one could have asked for. This year was a really big learning curve for the both of us. I cannot thank you enough for picking up the weight when I couldn't and being my listening ear when I needed it. You extended grace and support to me as both a friend and as a leader of this organization. I am honored to have served in this role by your side as President and Miss. Gay Big Sky '23. No matter what it is you do in this life, I have no doubt you will succeed and always have a supporter in me.

In closing, thank you for continuing to believe in the ISCSM's mission and our community. We thank each and everyone of our supporters near and far for the constant love and support we receive year after year. After all, we couldn't do it without you.

With all my love,

Miss. Gay Big Sky '23 & President of the Board of Directors

Ivanna Hump Bourgeois Kennady-Smith Riley Drake

Thank you for coming from far and wide to Coronation 30! I am ecstatic and overjoyed that you have taken time, money, and energy out of your lives to attend this celebration of Reign 29.

This year sent me across Montana during our lengthy Pride season, starting in April all the way to August. I attended pride in Kalispell, Anaconda, and Helena. While this was less than last year, as everyone does, I had many other obligations outside of the court system. However, these towns are where pride is incredibly necessary. We were able to hold the first all ages show and story hour in Kalispell. It was an honor to help orchestrate these events with the Glacier Queer Alliance. And an honor to host in Anaconda.

While this was a reign that presented many challenges, we did accomplish some important tasks that will set the ISCSM for success for the coming reigns. President Mitch Locher created an outline for sponsorships. Our College of Monarchs Juicy Bouvier Kennady-Smith St. James and Scholarship Coordinator Aidden Bedding hit the ground running and spent a weekend visiting local businesses and spoke to them about what we do. I see this as a main point of pride from this reign.

I would like to thank my board for being incredible and working their butts off. When the going got tough, y'all are fantastic and this year would have been much more difficult without you all.

There are 4 people I could not have made it through the year without and deserve a special thank you:

To Hexx Shadow- you know all you did, but I want you to get the flowers you deserve. You were integral in this coronation and my sanity. I wish I could do more than just say thank you, as you deserve everything.

To Christina Drake- Another savior of my sanity and coronation. Your guidance and friendship has been indispensable to me and something I treasure greatly. But also because this is public, you are scary and I hope you still like me even though I ask so much of you.

To DIana Bourgeois- My mother, my friend, the therapist I don't pay and is therefore allowed to curse at me: thank you for all that you do for me and this organization. Thank you for motivating me and reminding me of what is important.

And lastly, The One and Only Isaac- My husband, my person, my best friend. I joke about thanking you in... ways but you truly deserve all the thanks and applause you get, because you do more than anyone knows. I truly could not have done anything without you, you are my biggest support and my favorite person. I love you most.

With all the love I have,

Eunice Sexx Bourgeois Drake Butch Shadow Homb Riley Poosay
