706-253-1800, x545

Hello,

I am Cindi Lowe and I am currently serving as the President of the Pride of Pickens Band Booster Club. On behalf of our band family, I would like to welcome you to our family!

I would like to take this opportunity to let you know about our organization. We are the volunteer family members who work together throughout the year with Mr. Oubre and his staff members to ensure that the needs of the band program are met. We are a 501c3 non-profit organization and are governed by an elected band parent executive board. There are numerous committees that work with the board in various ways. We support the band program above and beyond that which the school system can provide. The success of the program and the opportunities we give our students could not be done without the financial support and volunteerism of our families. We are so thankful for the hard work our families put into the Pickens High School Band programs.

The Band Boosters have an annual operating budget that supports the needs of the Marching band, Symphonic and Concert bands, Color Guard and the Winterguard. This includes show design, music copyright and arrangement purchases, transportation, props construction, cleaning and repairs of instruments, uniforms and more. It is through Concession Stands sales at Football games, sponsorships, and fundraising that we are able to meet the needs of these programs.

We ask all parents to volunteer for anything and everything that interest them. There are and will be multiple opportunities to volunteer and that includes working in the concession stand during home games, serving as a chaperone for band camp, competitions, and away games, helping with the nurse's station, helping with uniforms, pulling trailers to away games, and more! Your help in any of these endeavors are welcome and appreciated. When we get together, the parents and family members are almost a small army of help!

The Pride of Pickens Band Boosters look forward to meeting you and your child. All families are automatically members of our booster club; there are no dues or membership fees! Please feel free to contact me if you have any questions or if you just want a parent perspective on our band program!
